- Why does this matter? The proposal would allow for the extension of existing industrial businesses in the area.
- No development permit has been submitted at this time.
- There is no previous Council direction related to this proposal.

DISCUSSION

This land use amendment application in the northeast community of the Deerfoot Business Centre was submitted by Foremost Industries on behalf of the landowner, The City of Calgary on 2024 August 20. No development permit has been submitted at this time; however, as noted in the Applicant Submission (Attachment 2) their intent is to allow for the installation of two rows of parking for the adjacent business, located to the south of the subject site.

The 0.2 hectare (0.60 acre) site is located on Aero Drive NE, one block east of the commercial area of Deerfoot City. The proposed I-G District would allow for complementary uses on the subject site and the expansion of the adjacent business. The subject site is surrounded by a variety of industrial districts including Industrial – General (I-G), Industrial – Business (I-B), and Industrial – Commercial (I-C). A large commercial area is located west of the subject site.
