The parcel is on a Direct Control under by-law R-2 2P80. The purpose of our request is to re-zone the parcel as per the current by-law and the to match the current city re-zoning to R-CG. The proposed development is a renovation/addition to the existing property. The existing is to be stripped down to its foundation with a new main floor and a second floor to be added to fit the developing look of the community. A proposed garage with backyard suite to be added to the rear of the parcel with access from the lane to help with the current housing crises.
