I believe it would be unwise to have another multilevel building in the proposed location: Red Carpet, LOC2024-0128. The area feels cramped with at least three multilevel buildings already in existence and street parking is an issue. There is a building in the area that does not have an underground parking, which forces families with more than one vehicle to park on the street. Also, there is a trailer park in the area, which makes the matter worse, due to the amount of residents and street parking available.
