

Background and Previous Council Direction

This attachment provides a summary of the background and previous Council direction related to the proposed Growth Application considered in this report, as well as new community growth decision-making in general.

Background

Growth Applications serve as the mechanism for evaluating new community growth opportunities in Calgary. The Growth Application process was endorsed by Council in 2023 July ([IP2023-0559](#)), and involves assessment of alignment with City policy and proximity to amenities and services, market conditions and land supply, and financial impacts.

Growth Applications are a responsive application-based model, with final decisions made through the annual Service Plans and Budgets process. Semi-annual briefing notes on Growth Application activity are also provided to Infrastructure and Planning Committee.

Bylaws, Regulations, Council Policies

Growth decisions and authorities are governed by the following policies and regulations.

Municipal Development Plan, 2020

In accordance with the Municipal Government Act, Calgary's Municipal Development Plan provides the long-term strategic framework for growth and development to achieve the following seven goals: Compact Urban Form, Urban Design Excellence, Greening the City, Great Communities, Connected City, Prosperous Economy, and Strategic Growth.

Section 5 of the Municipal Development Plan provides direction on strategic growth to achieve the best possible social, environmental, and economic outcomes. Section 4.3 of the New Community Planning Guidebook (Volume 2, Part 1 of the Municipal Development Plan) contains policy guidance on the development, design, and implementation of new communities, including policies that set out the applicability and evaluation considerations for Growth Applications.
