The subject site is located on the west side of 68 Street SE, approximately 350 metres (a six-minute walk) north of 17 Avenue SE, which is part of the Primary Transit Network.

In 2018, the subject site was redesignated to the Commercial – Corridor 1 f3.0h16 (C-COR1f3.0h16) District and Multi-Residential – Contextual Grade-Oriented (M-CGd60) District as part of a land use amendment and outline plan that included multiple land use districts and

approximately 11.37 hectares (28.10 acres) of land. This application included the area intended for development under the fourth phase of the overall plan, which is proposed to be completed over six phases.

As noted in the Applicant Submission (Attachment 2), this application is intended to provide for increased building height, floor area and a more flexible ratio of commercial to residential use area. On 2024 July 25, a development permit application (DP2024-05479) was submitted for a two-building, six-storey development and is currently under review. Also noted is the applicant's intent to incorporate commercial units, although none were included in the first iteration of the plans.

A detailed planning evaluation, including location maps and site context, is provided in the Background and Planning Evaluation (Attachment 1).
