DISCUSSION

This application, located in the southeast community of Acadia, was submitted by Hanson Associates on behalf of Hanson Properties Inc., on 2024 June 7. The 1.60 hectare parcel is located on Macleod Trail SE, between 86 Avenue SE and 90 Avenue SE. The parcel is approximately 800 metres (a 12-minute walk) to the Heritage LRT Station.

As noted in the Applicant Submission (Attachment 2), the proposed Commercial – Corridor 2 f1.75h37 (C-COR2 f1.75h37) District would allow for a mixed-use development with a maximum building height of 37 metres (up to 10 storeys). The current land use district does not permit residential dwelling units on the site.
