RE: LOC2024-0181 115 36 Avenue NE

The Planning and Development Committee of the Highland Park Community Association has no objection to the proposed land use change from C-N2 to MU-1f4h20. The parcel under review is situated at the SE corner of Centre Street North and 36 Avenue.

Centre Street North is a Calgary Main Street, and the *North Hill Communities Local Area Plan* shows this particular parcel as Neighbourhood Commercial with a Low Building Scale of up to 6 storeys. By way of contrast, the present zoning of C-N2 is very restrictive with a maximum FAR of 1.0 and a building height limit of 10.0 m which only allows for 1-2 storeys.

Buchanan School is kitty-corner to the parcel under consideration, there is a proposed Chinese Temple on the NW corner of Centre Street and 36 Avenue, and there is a small Park 'n Ride directly across the street. The #3 bus stops at the corner. A project which might envision ground floor commercial with dwelling units above would contribute to the overall revitalization of Centre Street.
