16th ST is becoming densified at the 38th AVE intersection with 2 multiplex buildings going up with minimal parking for these homes. I believe a business would create even more parking issues with space already at a premium with mentioned new builds. I understand the business will have some parking, but I'm sure it would be maximum 4 spots as it's a tight lot. The current zoning is appropriate for this area, and I do not believe it should be amended.
