

# Event Centre Update

ECC2025-0345  
April 10, 2025

## Previous Council Direction:

2024 July 30 – Regular Council approved the following:

- Direct Administration, once full approval of the Event Centre development permit is released, to **report to the Event Centre Committee with a recommendation and proposed bylaw to dissolve the Event Centre Committee** (ECC2024-0869).

## Recommendations:

That the Event Centre Committee recommend that Council:

1. Give three readings to the proposed bylaw to dissolve the Event Centre Committee and repeal the Event Centre Bylaw 46M2022 (Attachment 1); and
2. Thank Deborah Yedlin and Brad Parry for their service as Public Members of the Event Centre Committee.

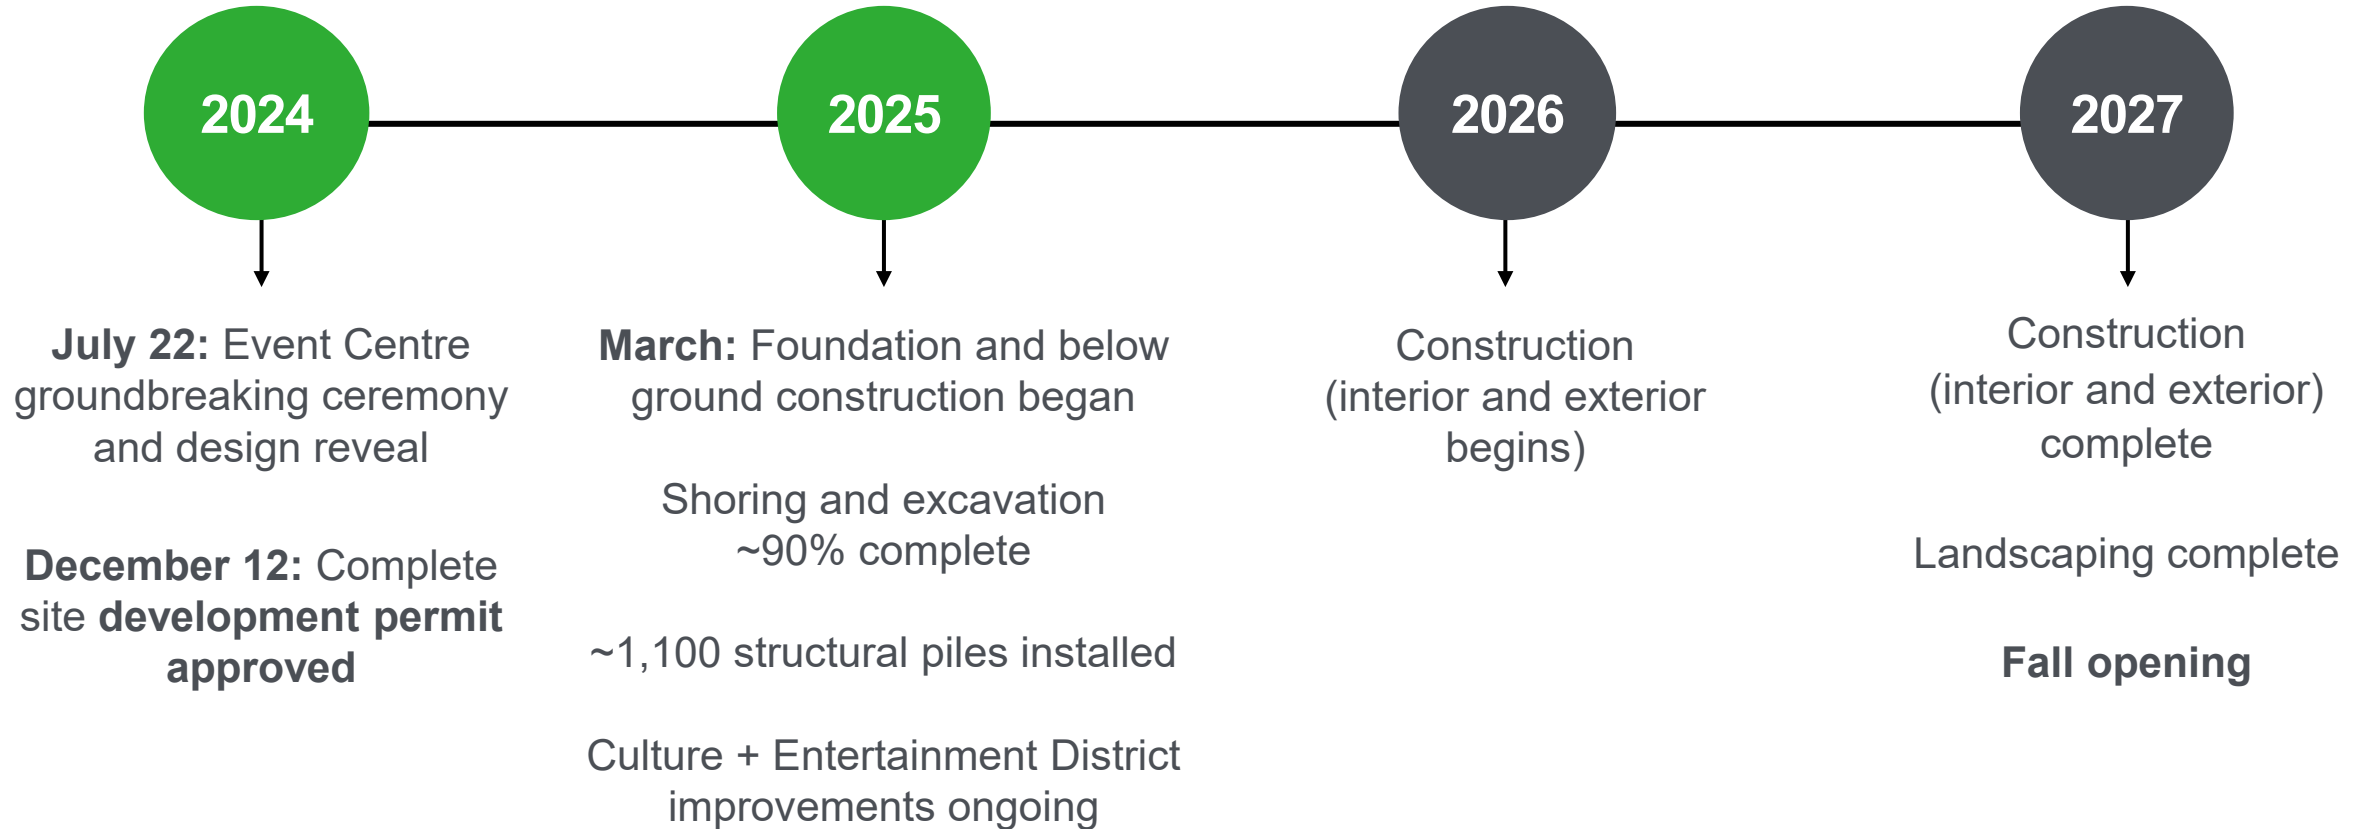

## Committee Agenda

1. Construction Progress and Milestones
2. Tariff and Scope
3. Communications

# Scotsman's Hill

# Tariffs and Scope

## Continuously monitoring market conditions

### February:

- Steel contract was awarded within budget

### Locally sourced contracts:

- Concrete
- Excavation

### Scope:

- ~28% of total project costs committed
- On track for a Fall 2027 opening

## Priorities:

- Keep Calgarians updated and engaged through to Fall 2027 opening
- Website refresh

## Upcoming:

- **Spring:** Foundation construction milestone campaign
- **Summer:** One year recap
- **Winter:** 2025 construction year in review
- **Ongoing:** Regular construction progress and design features including accessibility, public amenities and green technologies updates
