The proposed redesignation of this land will cripple the residents of this neighbourhood with regard to traffic flow and parking. Parking on 26th street is currently nonexistent and the addition of 6 new residences on a space currently zoned for 1 will make it impossible for residents to park anywhere near their homes. The traffic on 26 street has become increasingly busy and with the addition of the Minto project it is expected to grow exponentially. We can't afford to have the additional traffic and parking problems that would be created with this land moving from 1 to 6 residences.
