

Civic Partner Annual Report

2024

Solid attendance of 1.5 million visitors, just short of our record in 2023, plus maintaining over 100,000 members

Securing *significant* funding for conservation

Completing the Savannah Crossing and Plains capital project on time and on budget

Focus on affordability and access for our community

Reaccreditation by the Association of Zoos & Aquariums (AZA) (5 year cycle)

Hosting the 2024 AZA Conference

AZA Accreditation

- Highest standard of accreditation in the world for zoos and aquariums
- A comprehensive review and inspection of all aspects of the organization from governance to animal welfare to conservation to facility maintenance
- Achieved with flying colors!

ISC: Unrestricted

Calgary Zoological Society Presentation

Hosting the 2024 AZA Conference

- Over 2,300 delegates from 22 countries
- First conference at the expanded BMO Centre
- Rated by attendees as one of the “best ever” conferences

ISC: Unrestricted

Calgary Zoological Society Presentation

More to come in 2025!

- Beginning our new 5-year strategic plan to lead us into our centennial year in 2029
- Beginning construction of our next major capital project
- Expanding our education impact through a new “teach the teachers” initiative
