

Applicant Outreach Summary

Please complete this form and include with your application submission.

Project name: 61st AV Residential

Did you conduct community outreach on your application? ☒ YES or ☐ NO

If no, please provide your rationale for why you did not conduct outreach.

Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

The subject site is uniquely located in an active commercial and industrial area, close to the LRT station and within the Manchester Industrial area. The outreach strategy included leveraging The City's Notice Posting and Development Map to inform the public and confirming with The City if any community comments were received. No comments from any community associations or members of the public were received therefore we determined that no further engagement was required. We also met with the area Councillor to introduce the project.
