Policy Title: Non-Profit Tax Mitigation Policy
Policy Number: CP2023-06
Report Number: CB2024-1202
Effective Date: 2025 January 28
Last Amended: 2025 January 28
Policy Owner: Assessment & Tax

1. POLICY STATEMENT

- 1.1 Council will consider cancelling the municipal taxes where a non-profit organization holds a property, facility, or both, in Calgary that is under construction or renovation for up to four consecutive years, if all the following criteria have been met:
- a. a building permit for the site has been issued;
 - b. the organization has filed the necessary application forms to qualify for the municipal tax cancellation under this policy; and,
 - c. upon completion and occupancy of the facility, the organization has filed an application for property tax exemption under the *MGA* or *COPTER* and the application has been approved.
- 1.2 Per section 1.1, the municipal tax cancellation period may be for up to four years and is defined as follows:
- a. The municipal tax cancellation period begins when a building permit has been issued so long as an application for municipal tax cancellation has been filed within the same calendar year.
 - b. Applications for municipal tax cancellation can be made at any time after a building permit has been issued but if an application is filed in a calendar year following the issuance of a building permit, then the municipal tax cancellation period will begin on January 1 of the year in which an application is submitted.
 - c. The municipal tax cancellation period ends either four years from the date that the municipal tax cancellation period begins or when the subject property becomes exempt from taxation, whichever is earlier.

- 1.3 Where a building is only partially being used for an exempt purpose after construction or renovation, only the portion of the building that is being used for the exempt purpose shall be eligible for the municipal tax cancellation.
- 1.4 A municipal tax cancellation may only be granted if the property received an exemption and a non-profit organization is the property owner or has an active lease with the property owner during the term of construction or renovation.
- 1.5 Any cancellation of penalties imposed under section 344 and 345 of the *MGA* will not be considered for any period while the building is being operated illegally, including situations where a property is being used but final approvals have not been granted.

2. **PURPOSE**

- 2.1 Properties held by public and non-profit organizations for the benefit of the general public are generally exempt from property tax through the *MGA* and *COPTER*. Some property tax exemptions require the property or facility be in active use for an exempt purpose to qualify for an exemption. Exemptions based on use do not apply to properties or facilities while a property is under construction or renovation. This policy addresses this issue by providing the basis for municipal tax cancellations to support non-profit organizations where municipal taxes were paid during the construction or renovation period of their facility and where the subsequent use of the property met the criteria for property tax exemption.
- 2.2 This policy will ensure that municipal tax cancellations for properties or facilities that are under construction or renovation in Calgary are considered in an equitable and consistent manner through an open and transparent process by setting out eligibility criteria and procedures.
- 2.3 The policy does not limit Council's discretion in exercising its section 347 powers under the *MGA*.
