Please complete this form and include with your application submission.

Project name: 272 & 276 Carrington Way, NW, Calgary Secondary Suite Development

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

[Empty light blue text box for providing rationale if no outreach was conducted.]

Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

I also provided an on-line questionnaire that was accessed through a QR-code on a flyer shared within the community.

The purpose of this was intended to get a wider reach.

the questionnaire was structured in such a way that the identity (name ,phone, email and address) of the respondents were optional.

The questionnaire is a blend of a set of closed ended questions with options to select from and a set of open ended questions that allows respondents to provide feedback and suggestions outside the listed options.

Number of respondents: 4

Location: Carrington Way, NW

[Empty light blue text box for additional outreach strategy details.]

Affected Parties

Who did you connect with in your outreach program? List all groups you connected with. (Please do not include individual names)

Mostly Residents (Single family homes, Duplexes and Town homes)
Community leaders

Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

Car parking Space
Noise disturbance & waste disposal during construction
What will be the purpose of the development ? (Personal use or Commercial use,
Short let or Long lease)

How did input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

To address the car parking concern, A designated car space would be provided in the attached garage for the secondary suite.

Waste bin will be provided to ensure construction waste is properly collected and disposed. and caution will be taken to ensure that construction will only take place during normal work hours.

The space will be used for Long lease (1yr lease minimum)

How did you close the loop ?

Provide a summary of how you shared outreach outcomes and final project decisions with those who participated in your outreach. (Please include any reports or supplementary materials as attachments)

E-copy of final outreach outcomes was shared to respondents that opted to receive feedback & provide email address. I also shared printed copy to some of the residents within 90m radius of the proposed project site.
