The City of Calgary

Ward 8 Counsellor – Courtney Walcott

This letter is to show my support for small business owner, Rochelle Cote Interior Design in Ward 8. This small business within my ward is looking to include the 4 car garage on the rezoned DC for Office Lot to be Office/Storage.

This small business needs to store furniture items that are related to their business. They have met the parking protocol for their office, and they need the extra storage.

I support the change of land-use redesignation for the garage.

To Whom It May Concern,

I am writing to inform you that the office located at 1711 33rd Ave SW has enhanced the security of the surrounding area. This improvement is primarily due to the installation of video surveillance in the back alley, and the activity around the back garage area. The presence of these cameras has significantly increased the sense of safety and security for both their office and the neighboring properties.

The addition of security has been a bonus but for me, however cleaning up the neighbourhood was also welcome. There were, from time to time, sketchy people living at the house and that always made me feel uncomfortable. So having a neighbour that takes pride in their home and their community has made a difference over the last 5 years.

I feel like the RCID office fits well with the changes in the area and in particular 33rd Avenue. I support keeping Rochelle Cote Interior Design in the area.

Sincerely,

Gord Krzoska
