This is a minor policy amendment application for Bridgeland-Riverside Area Redevelopment Plan to allow for uses under the current R-CG zoning.

On April 29th, 2025, our staff did post card deliver to residents within a 100 meters radius. During the process, our staff did door knocking and spoke with residents at home. The main concerns our office got are with regards to increased traffic, increased density, height, shadow effects, and safety. We believe those can be properly dealt with at the development permit stage.

We have also contacted community association and councilor's office for comments. Until today, we haven't received any response yet.

### Stakeholders

Who did you connect with in your outreach program? List all stakeholder groups you connected with. (Please do not include individual names)
