To City Council,

I am submitting this letter with concerns regarding the proposed policy amendment for the property adjacent to mine, 2129 Spiller SE.

The main issue with the proposed development on this property is it contains too many units and will negatively affect my quality of life as an owner of the neighbouring property.

1. Due to the size of development, I will no longer have or be able to maintain any privacy on my property.
2. The lot size and the infrastructure of the neighbourhood is not conducive to 8 units and potentially 16+ individuals who inhabit the dwellings
3. The increase of parking and traffic will impact the safety of the school zone, which continues to be an issue on Spiller Rd.

Although I understand the importance and need to improve housing in the City of Calgary. The number of units built on this property should be no more than 4, to maintain a positive way of life for the current owners and the future members of the Ramsay community. Thank you for your consideration on this matter and I believe the City Council will help ensure that Ramsay will continue to be a beautiful, historical, and quiet neighbourhood.
