ATT: Redesignate land 9824
Fairmount N. St.
Plan 16135K Blk 27, Lot 1

Dear Ms. Kennedy; City Clerk;

After much consideration I do disapprove of having lot 9824 (next door neighbour) to be redesignated from Residential to R-C1s. The property owners plan to have parents live with them as my original notice stated. However, when these people sell then this property becomes rental. I do not want renters, whom may also rent out, to become problematic. I prefer to keep these homes to stay as single family residences.

Thank you for informing me. My opinion and disapproval to remain confidential.

Sincerely,
Irene Ruzsvanski.
