 - A city that moves – responding to the need for a variety of affordable and efficient transportation choices.
 - A healthy and green city – responding to the need to encourage healthy lifestyles for all Calgarians and connecting communities to the regional pathway system.
- **Supports downtown real estate sector and businesses**
- **Supports Plus 15 Policy, Centre City Plan, Pedestrian Strategy**

Administration Recommendations

That the Priorities and Finance Committee recommends that Council:

1. Receive the Plus 15 Program implementation plan in Attachment 1 and the Plus 15 Program Locations in Attachment 3 for information; and
2. Approve the requested capital budget as per Attachment 2 to be funded by corporate capacity identified by Infrastructure Calgary.
