Re: **Presentation at Council**

The Advisory Committee on Accessibility (ACA) requests that the Mayor make three (3) award presentations at the 2017 December 11 Council meeting.

The awards will be presented to members of the public who have made contributions in accessible transportation, advocacy and access design for people with disabilities.

The Advisory Committee on Accessibility presents these awards annually and historically, the awards have been presented at the Council meeting closest to 2017 December 3, the International Day of Persons with Disabilities. ACA is requesting that this request be put on the agenda of the PFC for consideration of adding this item to the 2017 December 11 Combined Public Hearing Council Meeting.

Please contact Leanne Squair if you require any additional information.

Best, -K
