SENT BY EMAIL

Dear Mr. McMahon;

RE: Marda Loop Streetscapes Master Plan

The Marda Loop Communities Association is supportive of the Marda Loop Streetscapes Master Plan initiative. With the degree of re-development already occurring along 33rd and 34th Avenues SW it will be beneficial to our communities to have a plan that supports this and future growth in a consistent and proactive manner. We look forward to continued engagement on this initiative.

Regards,

Lauren Makar
Director - Planning & Development
