## **Previous Council Direction**

When Council approved the City of Calgary's first Cultural Plan in November 2016, it directed Administration to report back in Q4 2017 on the following directions:

- Develop a governance model that includes key external partners along with a comprehensive implementation plan and detailed outcome measures;
- Identify and implement ways to internally integrate “planning culturally” throughout all business units;
- Update Council on the implementation of the “Ten Priority Actions.”

## Proposed Governance Model

## Planning Culturally

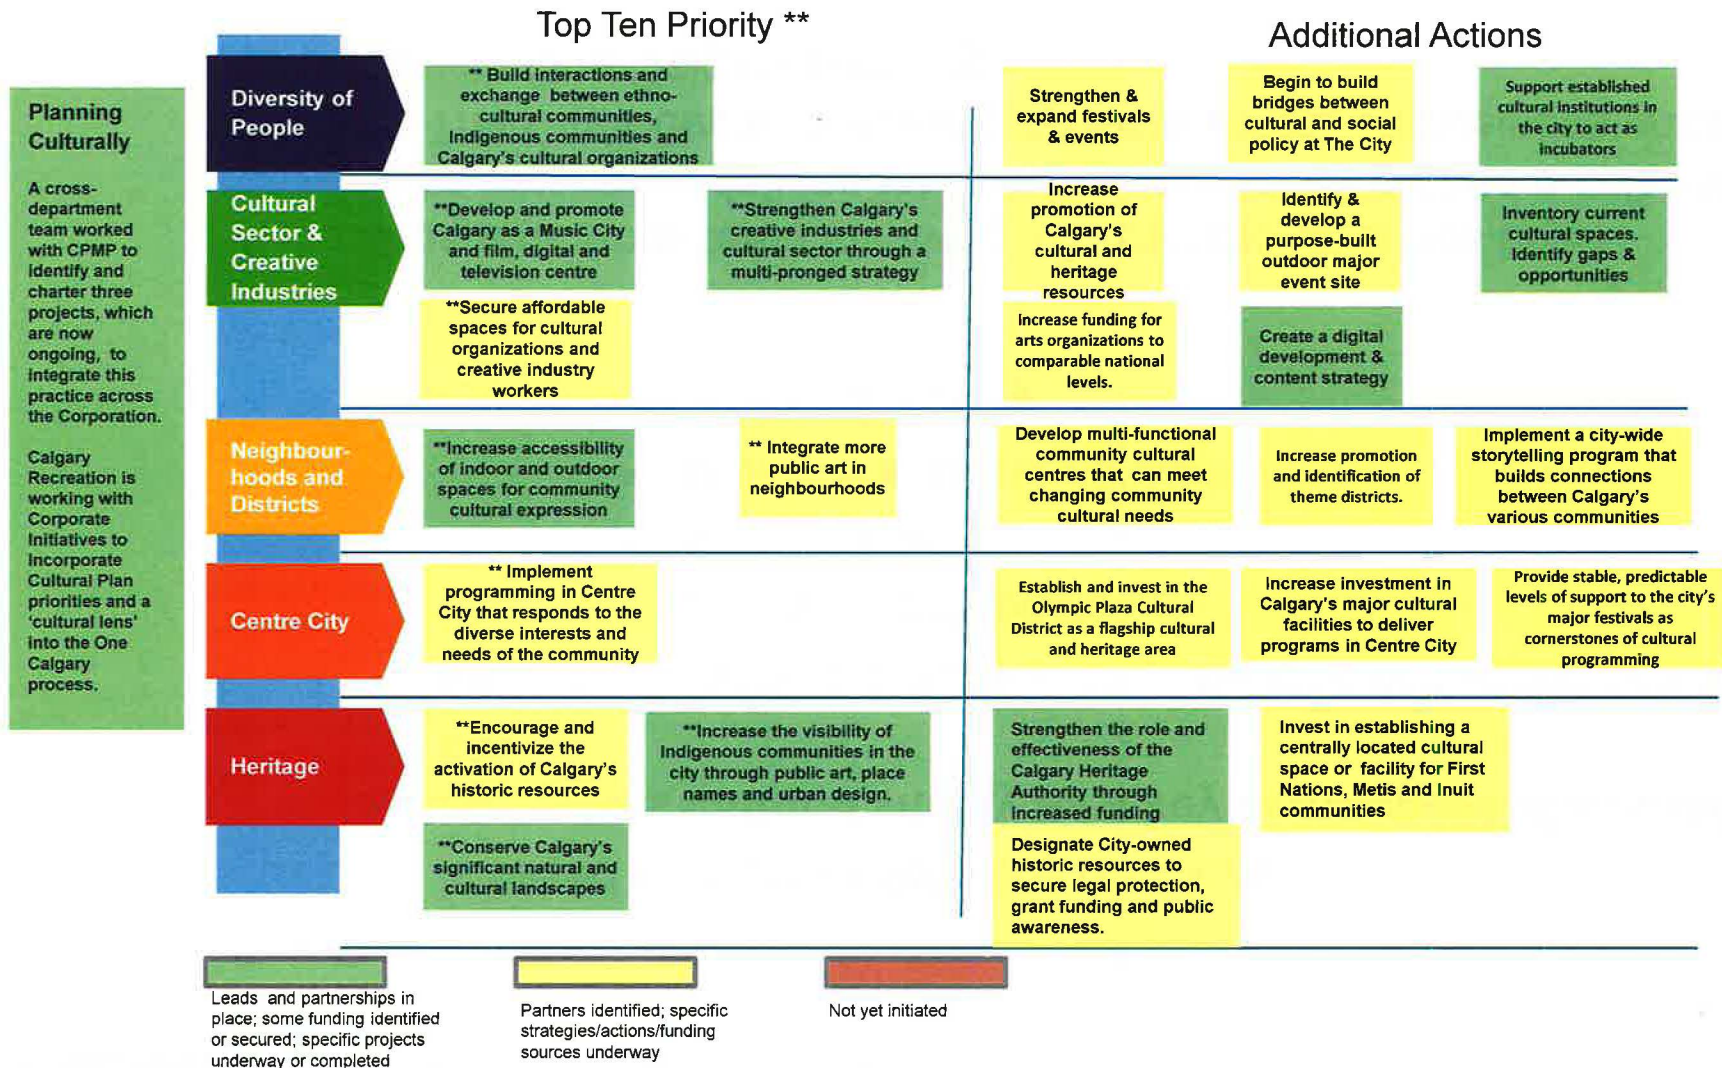

### The Cultural Plan:

- is based on a broad definition of culture
- recognizes **cultural vitality as a key component of a livable city**
- endorses “planning culturally” to go beyond considerations of
  - economic prosperity
  - social equity
  - environmental responsibilityand include **cultural vitality**

A cross-departmental team involving 17 business units has been developing recommendations for how to successfully embed a cultural lens into The City’s decision-making systems across all business units to coincide with One Calgary planning
