

Safer Together: A Community Safety and Wellbeing Plan for Calgary

CD2026-0081 Attachment 2

May 6, 2026

Recommendation

That Committee recommend that Council:

1. *Approve Safer Together: A Community Safety and Wellbeing Plan for Calgary.*

The Calgary context: Why now?

**Growing
population &
complexity**

**Affordability
pressures**

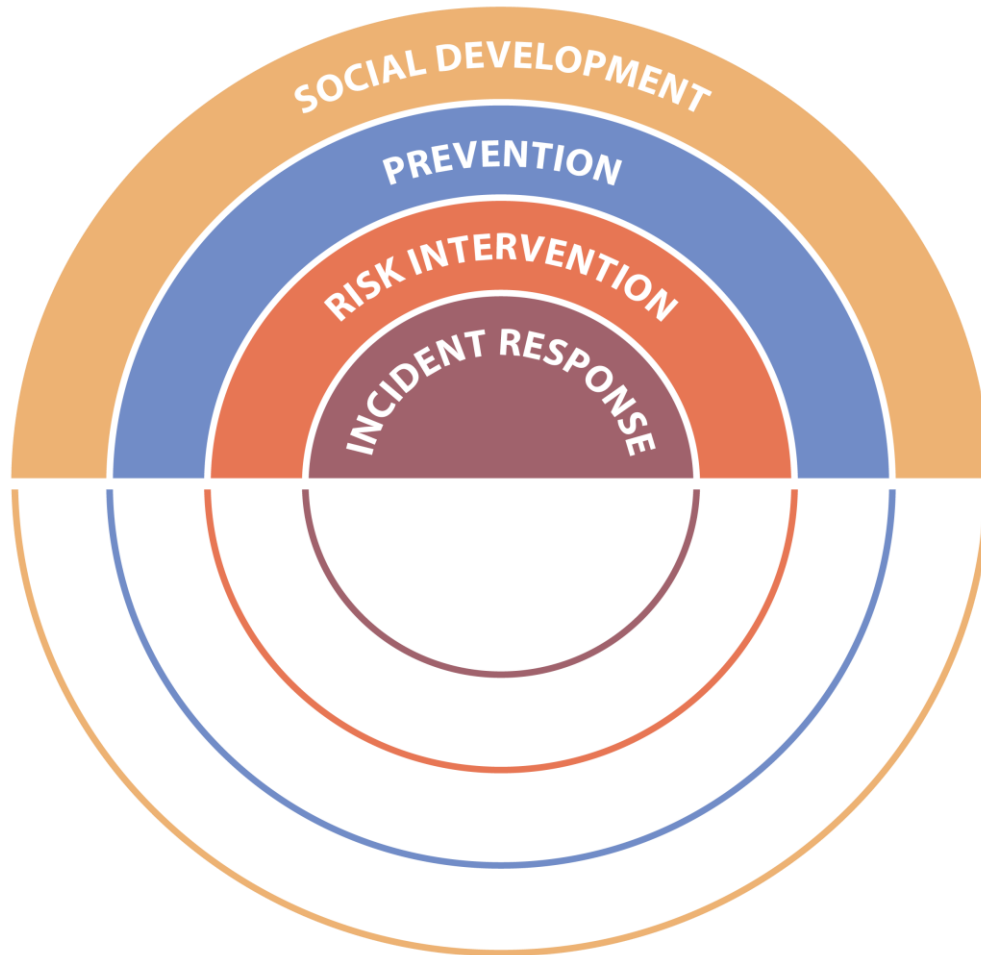

**Safety &
perception trends**

**Fragmented
investments**

A comprehensive approach

- Right response at the right time
- Improve efficiencies
- Strong partnerships
- Advance shared priorities

From framework to action

- Projects ready to scale
- People to co-design solutions
- Process to evaluate impact
- Plan to make it all happen

Benefits of this new approach

Safe City

Community Livability & Well-being

Trusted & Collaborative Government

Recommendation

That Committee recommend that Council:

1. *Approve Safer Together: A Community Safety and Wellbeing Plan for Calgary.*
