

Program Engagement

The Corporate Project Management Framework uses many channels to engage and communicate with the project management community.

Communication Channels	Time Period	Audience	(Q4) % Change
PM Framework Webpage	2012 Q4	1063	N/A
	2013 Q4	1427	+34.2
	2014 Q4	1608	+12.7
	2014 Total	7180	

Communication Channels	Time Period	Audience	Open Rate
e-newsletter	2014	540	29.6%
myCity Articles	2014	517	

Engagement Events	Time Period	Attendees
Town Hall	January	190
CPMF 101 Orientation – Corporate Properties and Buildings	March	54
Networking Event – Phase 2 Contributor Celebration	May	72
PMQA Contributor Celebration	August	29
Networking Event – Organizational Change Management	September	106
CPMF 101 Orientation – Roads	September	31
Networking Event – engage! team Presentation	October	55
CPMF 101 Orientation – IIS	October	20
International Project Management Day	November	108
Total Attendees		665

Audience activity of access to online communications may indicate an increasing awareness and interest growth from the project management community. In addition to hosted events and communications efforts, individual and group information sessions with senior management and others have been undertaken. Attendance at hosted events shows active interest from across The Corporation.

Program Engagement

The contributions of the following individuals, past and present, made the work of the Framework possible. We would like to acknowledge and thank them for their efforts.
