From: Katie Black, A/Director

Subject: Award Presentation at Council

The Advisory Committee on Accessibility (ACA) requests that the Mayor make three (3) award presentations at the 2014 December 8 City Council Meeting.

2014 is the 11th year that ACA has honoured the efforts of notable Calgarians and/or organizations. The following awards will be presented:

- Advocacy Award – recognizes how an individual or group has improved the quality of life for persons with disabilities.
- Access Recognition Award – acknowledges how an individual or group – through the use of universal design – has improved access for persons with disabilities in the city of Calgary in the areas of the physical environment, technology or products.
- Ella Anderson Accessible Transportation Award – celebrates an individual or group that emphasizes making public transportation more inclusive in our community.

Historically, the awards have been presented at the Council meeting closest to December 3, the International Day of Persons with Disabilities. ACA requests that this item be put on a 2014 October Priorities & Finance Committee agenda, for consideration of adding this item to the 2014 December 8 Combined Public Hearing & Regular Meeting of City Council, in order for Council to recognize the 2014 award recipients.

Please contact Leanne Squair at (403) 268-1352 if you require any additional information.

Thank you,

Katie Black
