Dear Mr. McMahon;

**RE: Marda Loop Streetscapes Master Plan**

The Marda Loop Communities Association is supportive of the Marda Loop Streetscapes Master Plan initiative. With the degree of re-development already occurring along 33<sup>rd</sup> and 34<sup>th</sup> Avenues SW it will be beneficial to our communities to have a plan that supports this and future growth in a consistent and proactive manner. We look forward to continued engagement on this initiative.

Regards,
