RE: HISTORIC CITY HALL POST-RENOVATION

WHEREAS the Coordinating Committee of the Councillors Office ("CCCO" or the "Committee") met with Facility Management to discuss the status of the Historic City Hall ("HCH") restoration project (the "Project") during its April 11, 2018 meeting;

AND WHEREAS there was a discussion during the Committee's meeting for the Committee to recommend the best way to gauge Councillors' interest in returning to HCH post-renovation;

AND WHEREAS at the conclusion of that discussion CCCO requested the Chair, CCCO follow-up with each Councillor to determine if the Office of the Councillors (the "Office"), which includes the fourteen (14) Ward offices, should relocate to HCH post-renovation;

AND WHEREAS Facility Management met with all Members of Council ("Council") during an in-camera session and during that discussion the discussion regarding the best way to gauge Councillor interest in returning to HCH post-renovation was referred back to CCCO;

AND WHEREAS during its May 2, 2018 Committee meeting, CCCO was to make a recommendation to Council with regards to the determining Councillors' interest in returning to HCH post-renovation;

NOW THEREFORE IT BE RESOLVED that Council directs City Administration to prepare plans and options (the "Scenarios"), which would include but not be limited to project scope and cost implications, for how best to move back to HCH;

AND FURTHER IT BE RESOLVED that Council directs City Administration to provide an analysis, which would include but not be limited to the Scenarios and cost implications, if it was decided the Office not return to HCH;

AND FURTHER IT BE RESOLVED that Administration report back with its Scenarios to CCCO during its June 6, 2018;

AND FURTHER IT BE RESOLVED that CCCO review the Scenario recommendations prior to having Council review the recommended Scenarios for consideration by Council;

AND FURTHER IT BE RESOLVED that Council dedicate a special meeting of Council to specifically address the Office's return to HCH to be scheduled no later than June 29, 2018 to allow for a fulsome discussion by Council.
