Calgary Technologies Inc.

2017 Civic Partner Annual Report

A Prosperous City

Calgary continues to grow as a magnet for talent, a place where there is opportunity for all, and strives to be the best place in Canada to start and grow a business.

CTI split from Innovate Calgary – laser beam focus on expanding the funnel of next-wave innovation-driven businesses.

CTI has emerged as the convenor/“backbone organization” for the Calgary Innovation Coalition and is helping build an Alberta innovation corridor.

2017 Results : PLACE

**700 people
working on
companies &
technologies
that scale**

**Tripled the
size of “The
Inc.” our
continuous

2017 Results : PROGRAMMING

City funding was leveraged ~10X with funding from Government of Canada, Government of Alberta and innovation-driven private sector.

Restructuring and refocusing all programming.

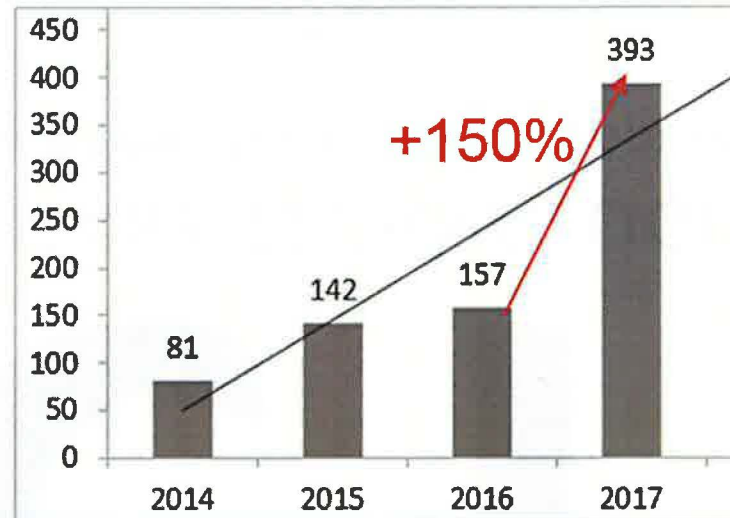

Mutually-beneficial partnerships that help startups build momentum and help companies adopt innovation:

ICT → TELUS Technology Accelerator

Energy → COSIA

Social Enterprise → RBC Social Enterprise Accelerator

Clients supported

30% sampling of clients: 236 new jobs and ~\$10M new investments

Telus Technology Accelerator: +115% monthly revenue, \$3.6M financing

Year 1 of Calgary Innovation Coalition's incubator program (GoA-funded)
