Dear Councillor Farrell,

Re: Local Growth Planning in North Central Green Line Communities

On behalf of the Crescent Heights Community Association, please accept our comments regarding Report PUD2018-0347, Local Growth Planning in North Central Green Line Communities. We ask that Council accept the recommendations in the report. Our behalf of our community, the Crescent Heights Community Association:

- Supports the recommendations of the report;
- Is excited to see a new local area plan move forward for our community; and
- Is excited to support the Centre Street, Edmonton Trail, and 16th Avenue N Main Street streetscape improvement projects.

We wish to thank City staff and Council for their dedication to this file and support for our community and surrounding communities. We thank you all in advance for voting "yes" to the recommendations of the report.

Kindest regards,

Crescent Heights Community Association
