**EXECUTIVE SUMMARY**

This land use amendment application seeks to redesignate a single residential parcel from a Residential – One Dwelling (R-1) District to a Residential – One Dwelling (R-1s) District to allow for either a Secondary Suite or a Backyard Suite as an additional use. The site contains an existing single detached dwelling. To Administration’s knowledge there is not an existing suite located on the parcel and the application was not submitted as a result of a complaint.

**PREVIOUS COUNCIL DIRECTION**

On 2013 September 16, Council directed Administration to remove fees associated with land use amendment and development permit applications for secondary suites to encourage the development of legal and safe secondary suites throughout the city.

**PLANNING EVALUATION**

**SITE CONTEXT**

Located in a low density residential R-1 setting in the community of Evergreen, the site is approximately 12 metres by 33 metres in size and is developed with a two-storey single detached dwelling and an attached two-car garage that is accessed from Everhollow Green SW and a two-car parking pad that is accessed from Everhollow Green SW. Single detached dwellings exist to the north, east, south, and west of the site.

According to data from The City of Calgary 2017 Census, the following table identifies Evergreen's peak population and year, current 2017 population and the population amount and percentage difference between the peak and current populations.

<b>Evergreen</b>	
Peak Population Year	2015
Peak Population	21,700
2017 Current Population	21,439
Difference in Population (Number)	-261
Difference in Population (Percent)	-1%

**LAND USE DISTRICTS**

The proposed R-1s district allows for an additional dwelling unit (either a permitted use Secondary Suite or a discretionary use Backyard Suite) on parcels that contain a single detached dwelling.

Approval of this land use application allows for an additional dwelling unit (either a Secondary Suite or Backyard Suite) to be considered via the development permit process. A development permit is not required if a Secondary Suite conforms to all Land Use Bylaw 1P2007 rules – only a building permit would be required.
