RISKS: (Examples as noted in Report)	Risks & mitigation strategies TBD	Risks & mitigation strategies TBD	Risks & mitigation strategies TBD
TIMELINE:	By 2026	Likely later than 2026	N/K

The City's share contribution will depend on:

1.

- The Value Proposition for The City (worth it)
- City's Debt Capacity & Credit Rating (afford it)
- Risks & how well they can be mitigated

2.

- How other governments evaluate their stake, and
- What share they are prepared to invest.

Council Endorse the Negotiation Framework

Administration will return to Council with proposed negotiation parameters in July, once:

- The City's value proposition is complete;
- its debt capacity is factored in;
- risks are deemed to be reasonably mitigated; and
- the overall due diligence among the three options is complete.

Council will provide direction to Administration:

- On the share funding negotiation parameters
 - 2018 July
- On approval of Multi-Party Agreement
 - 2018 Sept
- On a decision to bid or not to bid
 - 2018 November

Recommendations

That the 2026 OPWG Assessment Committee:

1. Receive this report for information; and,
2. Keep the closed session discussions confidential pursuant to Sections 23, 24 and 25 of the Freedom of Information and Protection of Privacy Act.
