PREVIOUS COUNCIL DIRECTION / POLICY

On 2018 March 12, Council also reinstated the fees associated with land use amendments to R-C1s, R-1s and R-C1Ls, but will continue to exempt fees for development permits for both Secondary Suites and Backyard Suites until 2020 June 01. This will encourage the development of legal and safe suites throughout the city over the next 2 years.

On 2018 March 12, Council approved adding Secondary Suite as a listed discretionary use in R-C1, R-1 and R-C1L. Council also approved adding Backyard Suite to these districts, but delayed the effective date until Administration has completed the creation of restrictive standards relating to the design of Backyard Suites. Council also approved the Policy to Guide Discretion for Secondary Suites and Backyard Suites, which provides additional policy oversight.

On 2013 September 16, Council directed Administration to remove fees associated with land use redesignation and development permit applications for secondary suites to encourage the development of legal and safe secondary suites throughout the city.

BACKGROUND

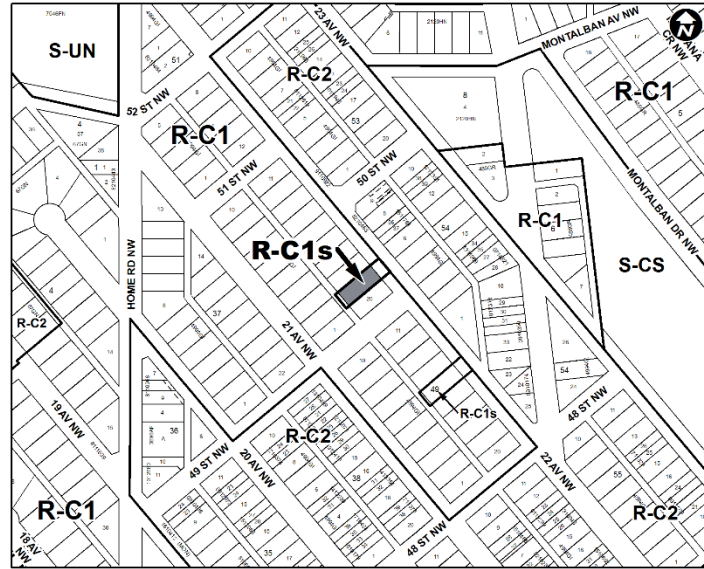

To Administration's knowledge there is not an existing suite located on the parcel and the application was not submitted as a result of a complaint.

INVESTIGATION: ALTERNATIVES AND ANALYSIS

This proposal would allow for an additional dwelling unit (either a Secondary Suite or Backyard Suite) to be considered via the development permit process. A development permit is not required if a Secondary Suite conforms to all Land Use Bylaw 1P2007 rules.

Infrastructure

Transportation Networks

Pedestrian and vehicular access to the site is available from 22 Avenue NW and the rear lane. The area is served by Calgary Transit bus service with a stop located approximately 290 metres walking distance on 48 Street NW, and bus stops within 400 metres walking distance on Home Road NW. On-street parking adjacent to the site is unregulated.

Utilities and Servicing

Water, sanitary and sewer services are available and can accommodate the potential addition of a Secondary Suite without the need for off-site improvements at this time. Adjustments to on-site servicing may be required if a Backyard Suite is proposed at the development permit stage.

Strategic Alignment

South Saskatchewan Regional Plan (Statutory – 2014)

The site is located within the 'City, Town' area as identified on Schedule C: South Saskatchewan Regional Plan Map in the *South Saskatchewan Regional Plan* (SSRP). While the SSRP makes no specific reference to this site, the proposal is consistent with policies on Land Use Patterns.

Municipal Development Plan (Statutory – 2009)

The site is located within the 'Residential - Developed - Inner City' area as identified on Map 1: Urban Structure in the *Municipal Development Plan* (MDP). While the MDP makes no specific reference to this site, the proposal is consistent with MDP policies regarding Developed Residential Areas, neighbourhood infill and redevelopment, and housing diversity and choice.

Montgomery Area Redevelopment Plan (Statutory – 2012)

The site is within the 'Low Density Residential' area as identified on Figure 1.3: Future Land Use Plan in the *Montgomery Area Redevelopment Plan* (ARP). The proposed R-C1s District is a low-density residential district which allows for an increased mix of housing types. The Residential Land Use policies of the ARP encourages a mix of housing types while acknowledging that single family housing is likely to be the predominant housing type. The application is generally in keeping with this policy.
