Subject: [EXT] Land Use Amendment LOC2017 - 0356

Hello,

I wish to submit this letter to Office of the City Clerk concerning the Land Use Amendment in West Hillhurst at 2101 and 2106 - 5 Avenue NW, LOC2017-0356.

I live at 2112 - 5th avenue NW, one parcel over to the west from proposed rowhouse building.

I have two concerns with proposed development.

1. Sun shadow from new building will cover my backyard and windows.
2. Rooftop amenity spaces and windows facing my backyard will impact my family's privacy.

I would like to ask developer to address these concerns.

Thank you,

Anar Azer
