MEMORANDUM

TO: SUE GRAY, CITY CLERK
FROM: COUNCILLOR PETER DEMONG (#8001B)
SUBJECT: ITEM FOR MAY 26TH CITY COUNCIL

Would you please accept this memo as an item to be placed on the agenda for the Finance & Priorities Committee?

I am seeking approval for the introduction of a Grade 5/6 student from Ward 14 (and their classmates) who will be the winner of an Essay Contest on Municipal Government which is an initiative I held this year. I will be transporting the winner, the winner's classmates, and their teachers/chaperones to City Hall for a tour and a visit to Council Chambers during City Council on May 26th, 2014, where I would like to introduce the class and present the winner with their prize.

Your consideration of my request is much appreciated. Would you please confirm acceptance of this proposal?

PETER DEMONG
COUNCILLOR, WARD 14
