

Ken Baker
Principal, SEE Solutions Inc.

Ken Baker has worked for over 40 years in the management and conservation of natural resources, and the advancement of sustainability practices. Initially, this work was in his professional, managerial and executive roles with the Government of British Columbia and now it is through the consulting business he established in 2005.

As a consultant, Ken has worked with a wide range of corporate, public and non-government organizations. From 2001 to 2003, Ken was Executive Director of Environment and Sustainability with the Vancouver 2010 Bid Corporation, responsible for designing the sustainability components of Canada's successful bid to host the 2010 Olympic and Paralympic Winter Games. Then in 2005, Ken returned to the Games as Consulting Director of Environmental Sustainability with VANOC, the organizing committee for the 2010 Winter Games, providing leadership on environmental innovation and impact reduction. Ken also provided advice on environment and sustainability requirements for Olympic and Paralympic Winter Games to the Calgary Bid Exploration Committee in 2017.
