WE'RE IN THE BUSINESS OF WELCOMING THE WORLD TO CALGARY

A MESSAGE FROM OUR CHAIR

The past year has been a transitional and transformational time for the Calgary Convention Centre Authority (CCCA). Mandated to operate the Calgary TELUS Convention Centre (CTCC) and promote Calgary as the destination for Meetings, Conventions, Congresses and Conferences, the CCCA Board of Directors has worked hard to provide leadership for our city within our scope of service.

Transformation requires change and in 2016, we welcomed three new Board members and a new President and CEO. These additions have helped to develop a new and exciting vision and direction for the organization. The Board of Directors now brings a broad cadre of experience and insights that will benefit the organization for years to come.

Our business has been challenged for the past three years. The economic climate, increased competition and facility size has forced us as a Board to reconsider our strategies for sustainability and growth. This new scope culminated in a new Strategic Plan for 2017, which was agreed to by City Council in April 2017.

The financial picture for the operations in 2016 were challenging but well managed by the interim leadership as we searched for our new CEO. The team did an exceptional job to keep costs under control during these difficult times. Our financial statements reflect their hard work.

As we move into implementing our new plan, it will be critical for us to build partnerships with our multiple stakeholders. Key to this will be to become a true Community Hub for the city; a place where Calgarians convene, innovate, learn and explore new ideas.

The convention business touches many areas of the Calgary community and leverages influencers in our city to attract important events. This in turn brings relevant visitors to experience our unique and energetic city.

TOM BORNHORST

Chair,
Calgary Convention
Centre Authority

A MESSAGE FROM OUR PRESIDENT & CEO

2016 was a year in which the team at the Calgary TELUS Convention Centre (CTCC) focused on the operational efficiency of the Centre and the effective promotion of the city. Each of the individuals in leadership roles worked hard to control costs as our business revenues dropped due to market forces beyond our control or influence.

Coming into the organization in the fourth quarter of the year, it was encouraging to learn of the work undertaken to reduce costs and leverage resources from the City of Calgary to maintain and rejuvenate the current buildings. These efforts have allowed us to replace skylights, carpets, chairs and doors. Each of these projects add value to the experience of the clients that come through the Centre for an event.

I have been impressed with the professionalism and the efforts taken by staff to ensure that the delegates entering our facilities understand the values of Calgary and have an exceptional experience. The loyalty and commitment to this high level of delivery excellence has been inspiring and is proof that the assets of the organization extend far beyond the two buildings straddling Stephen Avenue in downtown Calgary. Our hidden assets are the human capital that we are endowed with at CTCC.

Bringing new ideas, energy and leadership to this team has fed my own passion for Calgary and Canada. Discovering the commitment that everyone in the organization embodies has been a pleasure and has built a level of confidence in me that will foster further growth and engagement in the coming years.

As we implement our new Strategic Plan, we will be defined by our Guiding Principles and driven by our Strategic Initiatives. We will be adjudicated against these metrics and measured by the results they drive for the CTCC and for the city. Here are the key areas of focus for 2017:

GUIDING PRINCIPLES

Increase Profits
Increase Activity
Increase Stakeholder Engagement
Improve Shareholder Relationship
Connect with Calgarians

STRATEGIC INITIATIVES

Increase Global Markets
Develop a Community Hub
Develop New Lines of Business
Improve Client Experience
Grow Economic Impact

2017 will set us up for a successful 2018 and beyond. We are collaborating with our partners to bring the world to Calgary.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Calgary Convention Centre Authority as at December 31, 2016 and the results of its operations, changes in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

THE CALGARY CONVENTION CENTRE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS

December 31, 2016

NOTE 1

THE CALGARY CONVENTION CENTRE AUTHORITY

The Calgary Convention Centre Authority (the "Authority") is incorporated under the laws of the province of Alberta and operated as the Calgary TELUS Convention Centre (the "Centre") pursuant to an operating agreement between the Authority and The City of Calgary ("The City"). The land, building, furniture and equipment are owned by The City, which also contributes a grant towards the operating costs of the Centre. In accordance with an amendment to the operating agreement, the Authority retains operating surpluses. Surpluses are placed in an operating reserve and are used to cover capital expenditures, extraordinary expenditures and any annual deficits, which may be incurred.

Under an extended lease agreement to expire in 2039, the Calgary Marriott acts as the exclusive caterer to the Centre.

NOTE 2

SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian public sector accounting standards ("PSAS"). The Authority's significant accounting policies are as follows:

Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits in bank accounts at Canadian financial institutions and short-term investments with maturities of a short-term nature, usually less than 90 days.

Investments

Investments represent Guaranteed Investment Certificates ("GIC") with original maturities greater than 90 days. Investments are recorded at fair value.

Client deposits

Client deposits represent amounts received from customers for events that have not yet occurred. These amounts are recognized as revenue in the period when the related event occurs.

Revenue recognition

Revenue comprises revenues earned from convention services, functions, food and beverage services and grant revenue received from The City. Revenues for convention services, functions and food and beverage services are recognized when the service is performed, the price is determinable and collection is reasonably assured. Grant revenue is received from The City on a quarterly basis. A proportionate amount is recognized each month. Revenue and expenses are recognized on a gross basis.

THE CALGARY CONVENTION CENTRE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS

December 31, 2016

Significant accounting policies (continued)

Tangible capital assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to the acquisition, construction, development, or betterment of the asset. Donated assets are recorded as capital items, with the offset to revenue at their estimated fair value upon acquisition. Interest charges are not capitalized. The cost, less residual value, of tangible capital assets is amortized on a straight-line or declining-balance basis over the assets' estimated useful lives as follows:

Renovations	3-year straight-line
Building enhancements	20% declining-balance
Computer equipment	55% declining-balance
Other equipment	20% declining-balance

Revenue from government grants and transfers relating to capital acquisitions will be recognized on a straight-line basis as the capital expenditure is incurred.

Impairment of tangible capital assets

Tangible capital assets are reviewed periodically for impairment. An impairment loss will be recognized in the period when the service potential of a capital asset will be either substantially reduced or eliminated altogether by an intervening event such as natural disaster, accident and obsolescence.

Use of estimates

The financial statements are prepared in accordance with PSAS, which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of revenue, expenses and operating reserve during the year. Items subject to estimation include the valuation allowance pertaining to receivables, estimated useful lives, amortization and potential impairment of tangible capital assets, and the impact of contingencies on accrued liabilities. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

THE CALGARY CONVENTION CENTRE AUTHORITY
NOTES TO THE FINANCIAL STATEMENTS

NOTE 3

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash on deposit and short-term GICs with original maturities of 90 days or less at the date of acquisition and are recorded at cost plus interest earned.

The effective interest rate on the GICs held during the year was 1.32% (2015 - 1.24%) per annum.

As at December 31, 2016, the Authority held \$938,412 (2015 - \$3,540,211) in short-term GICs and \$4,210,807 (2015 - \$3,867,180) in long-term GICs (Note 5).

NOTE 9

FINANCIAL INSTRUMENTS

The Authority's financial instruments are cash and cash equivalents, accounts receivable, due from The City of Calgary - major replacement reserve, investments, accounts payable and accrued liabilities, and client deposits. The Authority's financial instruments that are exposed to concentration of credit risk consist primarily of cash and cash equivalents and accounts receivable. Cash is placed with major financial institutions. Concentration of credit risk with respect to receivables is limited due to the large number of customers and their dispersion across geographic areas.
