Audit scope matters

Canadian GAAS require that we communicate to the Audit Committee on the following matters:

Status of our audit	<p>We expect to be in a position to render our audit opinion dated March 10, 2017 on the financial statements of Calhome following approval of the financial statements by the Board of Directors and the completion of the following outstanding procedures:</p> <ul style="list-style-type: none"> • Receipt of signed management representation letter • File documentation matters • Update of subsequent events to audit report date • Receipt of legal letters
Audit strategy and scope	<p>The audit planning and the preliminary risk assessment activities we conduct enable us to set the scope of our audit and to design procedures tailored to that scope. Refer to our audit plan communicated on November 7, 2016.</p>
Materiality	<p>Materiality is the magnitude of misstatements, including omissions, in the financial statements that, individually or in the aggregate, could reasonably be expected to influence the economic decisions of the financial statement users. Judgments about materiality are made in the light of surrounding circumstances, and are affected by our perception of the information needs of the financial statement users, and by the size or nature of a misstatement, or a combination of both. We are responsible for providing reasonable assurance that your financial statements as a whole are free from material misstatement.</p> <p>Materiality levels were determined on the basis of total budgeted operating expenses. For the year ended December 31, 2016, materiality was set at \$2,400,000 (2015, \$2,400,000).</p>
Significant difficulties encountered in performing the audit	<p>We did not encounter any significant difficulties while performing the audit. There were no significant delays in receiving information from management required for the audit nor was there an unnecessarily brief timetable in which to complete the audit.</p>
Changes to the audit plan	<p>The audit was conducted in accordance with our audit plan, which was communicated to the Committee on November 7, 2016. There were no amendments to the plan which was presented.</p>
Disagreements with management	<p>In the course of our audit, we did not encounter any disagreements with management about matters that individually or in the aggregate could be significant to the financial statements.</p>
Consultation with other accountants	<p>Management has informed us that Calhome has not consulted with other accountants about auditing or accounting matters.</p>
Legal and regulatory compliance	<p>Management is responsible for ensuring that Calhome's operations are conducted in accordance with the laws and regulations applicable to Calhome in the jurisdictions in which it operates. The responsibility for preventing and detecting non-compliance rests with management.</p> <p>The auditor is not and cannot be held responsible for preventing non-compliance with laws and regulations.</p> <p>Our limited procedures did not identify any areas of material non-compliance with laws and regulations by Calhome.</p>

Post-statement of financial position financial events	<p>Management is responsible for assessing subsequent events up to the date of the release of the financial statements.</p> <p>No post-statement of financial position events have been identified during the course of our audit which would have an impact on the financial statements. We will update subsequent events to the audit report date of March 10, 2017.</p>
Management representation letter	<p>A draft version of the management representation letter to be signed by management is included in Appendix 3.</p>
Independence	<p>We have developed appropriate safeguards and procedures to eliminate threats to our independence or to reduce them to an acceptable level.</p> <p>As required under Canadian GAAS, we have reported all relationships and other relevant matters that, in our professional judgment, may reasonably be thought to bear on our independence. We have provided a draft version of the independence letter we intend to use to confirm our independence for the year ended December 31, 2016, in Appendix 2.</p>
Quality control	<p>Our firm's quality control process embraces each of the elements identified in the CPA Canada Handbook sections covering Canadian standards of quality control for firms that perform audits and reviews of financial statements and other assurance engagements.</p>
Fees	<p>We communicated our proposed audit fees of \$74,620 (2015, \$72,800) for the audit and \$3,400 per portfolio (5 portfolios) (2015, \$3,300 per portfolio) for the specified procedures reports. These fees exclude the 7% administrative fee and GST. There has been no change to the proposed fees.</p>
Communications	<p>As a part of our audit plan, we committed to communicate certain matters to the Committee on a regular basis or as specified events occur.</p> <p>A summary of our communications is provided in Appendix 4.</p>

Audit findings

This report summarizes the main findings arising from our audit to date.

Internal control	<p>We obtained an understanding of internal control relevant to the audit, however not all controls are relevant to every audit. We evaluated the design of controls relevant to the audit and determined whether they have been implemented. We are not, however, required in a non-integrated audit to determine whether all relevant controls are operating effectively. Although not required by Canadian GAAS, we may decide that, for a particular engagement, it makes sense to rely on the effective operation of some controls to determine the planned substantive procedures we will perform.</p> <p>In such cases, we would go beyond evaluating the design of relevant controls and determining whether they have been implemented to also test whether the controls on which we intend to rely are operating effectively.</p> <p>In our audit of Calhome's financial statements, we applied a substantive audit approach to testing of account balances and as such, we did not rely on internal controls.</p>
Uncorrected misstatements	<p>In accordance with Canadian GAAS, we request that all misstatements be corrected. We are required to report all uncorrected misstatements greater than \$120,000 (2015, \$120,000), computed as 5% of materiality, and those that are quantitatively insignificant but qualitatively significant.</p> <p>We noted no uncorrected misstatements during the course of the audit.</p>
Unadjusted disclosure deficiencies	<p>In accordance with Canadian GAAS, we request that all disclosure deficiencies be corrected.</p> <p>We noted no unadjusted disclosure deficiencies.</p>
Conclusion	<p>In accordance with Canadian GAAS, our audit is designed to enable us to express an opinion on the fairness of the presentation of Calhome's annual financial statements prepared in accordance with Canadian public sector accounting standards ("PSAS").</p> <p>No restrictions have been placed on the scope of our audit. In performing the audit, we were given full and complete access to the accounting records, supporting documentation and other information requested.</p> <p>We intend to issue an unmodified audit report on the financial statements of Calhome as of and for the year ended December 31, 2016 once the financial statements are approved by the Board of Directors on March 10, 2017.</p> <p>A draft version of our Auditor's report is included in Appendix 1.</p>

Audit risks

Our audit plan identified certain areas that we refer to as significant risks. The results of our audit work on these risks are set out below:

Significant risks

Areas of significant risk	Our audit response	Our conclusion
<p>Management override of controls</p> <p>Assurance standards include the presumption of a significant risk of management override of controls.</p> <p>Management may be in a unique position to perpetrate fraud because of management's ability to directly or indirectly manipulate accounting records and prepare fraudulent Financial Statements by overriding controls that otherwise appear to be operating effectively.</p>	<p>We engaged in periodic fraud discussions with certain members of senior management and with the chair of Calhome's Audit and Risk Management Committee.</p> <p>We considered the potential for bias in judgments and estimates, including performing retrospective analysis of significant accounting estimates.</p> <p>We evaluated the business rationale for any significant unusual transactions.</p> <p>We evaluated Calhome's fraud risk assessment and considered entity-level internal controls and internal controls over the closing and reporting process.</p> <p>We tested journal entries that exhibited characteristics of possible management override of controls identified.</p>	<p>Based on the performance of our audit procedures, we have not identified any instances of management override of controls.</p>
<p>Revenue recognition</p> <p>Assurance standards include the presumption of a fraud risk involving improper revenue recognition.</p> <p>There may be an increased risk of material misstatement relating to the occurrence and cut off of the following revenue streams: rent revenue, shared cost agreements and rent supplement.</p>	<p>We have performed substantive testing of revenue transactions to ensure that occurrence and cut-off have been appropriately accounted for the year ended December 31, 2016.</p> <p>We made inquiries of management and tested control activities involving management's process for accounting for revenue transactions and determining when the revenue recognition criteria had been met.</p>	<p>Based on the audit procedures completed, we conclude that revenue recognition is fairly stated, appropriately classified and properly disclosed in the context of the financial statements taken as a whole.</p>

Appendix 1 – Draft version of our Auditor's report

Independent Auditor's Report

To the Directors of Calhome Properties Ltd.

We have audited the accompanying financial statements of Calhome Properties Ltd., which comprise the statement of financial position as at December 31, 2016, and the statements of operations, changes in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Calhome Properties Ltd. as at December 31, 2016, and the results of its operations, changes in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

(operating as 'Calgary Housing Company') ("Calhome" or "we" or "us") for the year ended December 31, 2016, including the comparative financial statements for the year ended December 31, 2015, and a summary of significant accounting policies and other explanatory information (the "Financial Statements") for the purpose of expressing an opinion as to whether the Financial Statements present fairly, in all material respects, the financial position, results of operations, and cash flows of the Company in accordance with Canadian public sector accounting standards ("PSAS").

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial statements

1. We have fulfilled our responsibilities as set out in the terms of the engagement letter between the Company and Deloitte dated November 07, 2016, for the preparation of the Financial Statements in accordance with PSAS. In particular, the Financial Statements are fairly presented, in all material respects, and present the financial position of the Company as at December 31, 2016, and the results of its operations and cash flows for the year then ended in accordance with PSAS.
2. Significant assumptions used in making estimates, including those measured at fair value, are reasonable.

In preparing the Financial Statements in accordance with PSAS, management makes judgments and assumptions about the future and uses estimates. The completeness and appropriateness of the disclosures related to estimates are in accordance with PSAS. Calhome has appropriately disclosed in the Financial Statements the nature of measurement uncertainties that are material, including all estimates where it is reasonably possible that the estimate will change in the near term and the effect of the change could be material to the Financial Statements.

The measurement methods, including the related assumptions and models, used in determining the estimates, including fair value, were appropriate, reasonable and consistently applied in accordance with PSAS and appropriately reflect management's intent and ability to carry out specific courses of action on behalf of the entity. No events have occurred subsequent to December 31, 2016 that require adjustment to the estimates and disclosures included in the Financial Statements.

There are no changes in management's method of determining significant estimates in the current year.

3. We have determined that the Financial Statements are complete as of the date of this letter as this is the date when there are no changes to the Financial Statements (including disclosures) planned or expected, all final adjusting journal entries have been reflected in the Financial Statements and the Financial Statements have been approved in accordance with our process to finalize financial statements.

All events subsequent to the date of the Financial Statements and for which PSAS requires adjustment or disclosure have been adjusted or disclosed. Accounting estimates and disclosures included in the Financial Statements that are impacted by subsequent events have been appropriately adjusted.
5. The Financial Statements are free of material errors and omissions.
6. The Company has satisfactory title to and control over all assets, and there are no liens or encumbrances on such assets. We have disclosed to you and in the Financial Statements all assets that have been pledged as collateral.

 - b. Employees who have significant roles in internal control; or
 - c. Others where the fraud could have a material effect on the Financial Statements.

We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the entity's Financial Statements and all knowledge of concerns or allegations of potential errors in the selection of accounting policies or the recording of transactions affecting the Company that have been communicated by employees, former employees or others, whether written or oral.
12. We have disclosed to you all communications from regulatory agencies and all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the Financial Statements.
13. We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware, including guarantees, non-monetary transactions and transactions for no consideration and participation in a defined benefit plan that shares risks between group entities.
14. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud and error.
15. We have disclosed to you all known, actual or possible litigation and claims, whether or not they have been discussed with our lawyers, whose effects should be considered when preparing the Financial Statements. As appropriate, these items have been disclosed and accounted for in the Financial Statements in accordance with PSAS.
16. We have disclosed to you all liabilities, provisions, contingent liabilities and contingent assets, including those associated with guarantees, whether written or oral, and they are appropriately reflected in the Financial Statements.
17. We have disclosed to you, and the Company has complied with all aspects of contractual agreements that could have a material effect on the Financial Statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
18. We have disclosed to you all the documents that we expect to issue that may comprise other information.

Independence matters

For purposes of the following paragraphs, "Deloitte" shall mean Deloitte LLP and Deloitte Touche Tohmatsu Limited, including related member firms and affiliates.

19. Prior to Calhome having any substantive employment conversations with a former or current Deloitte engagement team member, the Company has held discussions with Deloitte and obtained approval from management.

20. We have ensured that all services performed by Deloitte with respect to this engagement have been pre-approved by the Audit Committee in accordance with its established approval policies and procedures.

Fair Value

21. With regard to the fair value measurements and disclosures of certain assets and liabilities, we believe that:
- a. The completeness and adequacy of the disclosures related to fair values are in accordance with PSAS;
 - b. No events have occurred subsequent to December 31, 2016 that require adjustment to the fair value measurements and disclosures included in the Financial Statements; and
 - c. They appropriately reflect management's intent and ability to carry out specific courses of action on behalf of Calhome when relevant to the use of fair value measurements or disclosures.

Management's responsibilities

22. All transactions and events have been carried out in accordance with law, regulation or other authority.

Receivables

23. Calhome is responsible for determining the appropriate carrying amount of accounts receivable, as well as estimates used to determine such amounts. Management believes that the carrying amounts recorded and disclosed are appropriate.

Employee future benefits

24. Employee future benefit costs, assets and obligations, as applicable, have been properly recorded and adequately disclosed in the Financial Statements including those arising under defined benefit and defined contribution plans as well as termination arrangements. We believe that the actuarial assumptions and methods used to measure defined benefit plan assets, obligations and costs for financial statement purposes are appropriate in the circumstances.
25. We have disclosed to you any intentions of terminating any of our pension plans or withdrawing from the multi-employer plan that could result in an effective termination or reportable event for any of the plans. We have disclosed to you any occurrences that could result in the termination of any of our pension or multi-employer plans to which we contribute.
26. We are unable to determine the possibility of a withdrawal liability in a multi-employer benefit plan.

Government transfers

27. We have disclosed to you all correspondence relating to government transfers that Calhome has had with the funding body.
28. We have assessed the eligibility criteria and determined that Calhome is an eligible recipient for the government transfers received.

29. We have assessed the stipulations attached with the funding and have recognized the revenue in accordance with meeting the stipulations required.
30. All government transfers that have been recorded as unearned revenue give rise to an obligation that meets the definition of a liability. Those liabilities have been properly recorded and presented in the financial Statements.

City of Calgary Capital Asset Policy

31. The Company is aware of the City of Calgary's change in Capital Asset Policy for Buildings and Engineered Structures for the year ended December 31, 2016. Management has reviewed and understands the policy being that the threshold for capitalization is \$250,000 per project for both Buildings and Engineered Structures for fiscal 2016, applied prospectively. Management has, however, determined that a threshold of \$ 25,000 is appropriate for the standalone financial statements of the Company and therefore, there is no impact of the change in accounting policy on the standalone financial statements.

Tangible capital assets

32. Tangible capital assets have been recorded properly and consistently according to the standards in Section PS 3150, *Tangible Capital Assets*.
33. Contributed tangible capital assets have been appropriately recorded at fair value, unless fair value is not reasonably determinable, and in such case, have been recorded at an appropriate nominal value. All contributed tangible capital assets have been appropriately disclosed.
34. We have assessed the useful lives of tangible capital assets and have determined all tangible capital assets contribute to Calhome's ability to provide goods and services and therefore do not require a write down.

Adjusting journal entries

35. We have reviewed the year-end adjusting entries and acknowledge our responsibility for their accuracy.

Communicating a threshold amount

36. We understand that the threshold used for accumulating misstatements identified during the year was \$120,000 for purposes of Appendix A. Misstatements below this amount have been considered clearly trivial.

Section 3260, Liability for contaminated sites

37. Calhome was required to adopt Section 3260, *Liability for contaminated sites* effective for fiscal 2015 for the purposes of the public sector accounting standards ("PSAS") version of the trial balance required for consolidation with the City of Calgary financial statements. Management has determined the impact of this standard on the year-end financial statements, and based on management's assessment, there is no impact on the adjustments for the December 31, 2016 PSAS financial statements of this standard.

Use of Deferred Capital Contributions

38. Management has the authority to use funds from the Deferred Capital Contributions balance (Note 10 of the Financial Statements) without formal approval by the Board of Directors.

Yours truly,

Calhome Properties Ltd.
