

## THE CITY OF EDMONTON REPORT RECOMMENDATIONS AND CCSC COMPLIANCE

Recommendations	CCSC Compliance
<b>Recommendation #1</b> Promoters are required to obtain a business license that is available online.	<b>Compliance (or actions underway)</b>
<b>Recommendation #2</b> Complete documentation of promoter business licence requests, document if requirements are met and approval or denial of the license.	<b>Compliance (or actions underway)</b>
<b>Recommendation #3</b> Contestants are required to obtain a business license that is available online.	<b>Compliance (or actions underway)</b>
<b>Recommendation #4</b> A fight is sanctioned if it is conducted under the supervision of a recognized sanctioning body. Unsanctioned events and response to unsanctioned events are clearly defined. The Chair performs an audit for possible contestant's involvement in unsanctioned events.	<b>Compliance (or actions underway)</b>
<b>Recommendation #5</b> There is a robust physician evaluation of fight and medical suspension history to determine if further medical suspensions are required based on the contestants cumulative injuries. Increased oversight by the Chair to ensure complete Technical Knock Out (TKO) information.	<b>Compliance (or actions underway)</b>
<b>Recommendation #6</b> Minimum medical suspensions are issued to a fighter following their participation in a combative sports event based on industry standard. The ringside Physician should have the authority to exceed the minimum medical suspension and the Chair should follow up to ensure the minimum medical suspension has always been imposed.	<b>Compliance (or actions underway)</b>

<b>Recommendation #7</b> <p>The Chair has the power to increase medical suspensions when the minimum suspension was not imposed by the ringside physician.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #8</b> <p>Ensure there is no differentiation between combative sports types and medical suspensions.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #9</b> <p>Ringside Physicians are required to suspend all contestants who sustained head injuries (either winning or losing). Contestants are only cleared to fight when they have provided evidence that they have not sustained brain injuries.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #10</b> <p>The Chief Medical Officer and other physicians should be consulted on policy revisions that impact fighter safety.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #11</b> <p>For events held in Calgary, the Chair is responsible for ensuring results have been accurately reported to the Association of Boxing Commissions and saving screenshots as evidence of the review.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #12</b> <p>Develop and implement a policy for licensing matchmakers. Matchmakers are professionals who match the skill level and experience of opponents.</p>	<b>Future Investigation</b>
<b>Recommendation #13</b> <p>Anonymous/confidential tip line to advise appropriate officials of concerns with the health and safety of contestants.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #14</b> <p>Increase official regulation by outlining:</p> <ul style="list-style-type: none"> <li>Who is considered an official</li> </ul>	<b>Compliance (or actions underway)</b>

<ul style="list-style-type: none"> <li>• Roles &amp; responsibilities</li> <li>• Qualifications, experience &amp; training</li> <li>• Code of conduct</li> </ul> <p>Increase corner man regulation by outlining:</p> <ul style="list-style-type: none"> <li>• Roles &amp; responsibilities</li> <li>• Qualifications, experience &amp; training</li> <li>• Minimum age</li> <li>• First aid training</li> <li>• Declaration that the contestant didn't sustain injuries during training</li> </ul>	
<b>Recommendation #15</b> <p>Have a policy development framework in place.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #16</b> <p>Annual reporting to Council includes an overview of how policies are being consistently applied and adhering with other jurisdictions.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #17</b> <p>The Chair reports to the appropriate authority on a quarterly basis Key Performance Indicators (KPI) that demonstrate policies to improve fighter safety are being followed.</p>	<b>Compliance (or actions underway)</b>
<b>Recommendation #18</b> <p>Work with the Provincial government and Municipal counterparts to encourage the implementation of a Provincial commission.</p>	<b>Future Investigation (currently not in scope)</b>
