

Development Permit Drawings (DP2018-2259)

The associated development permit is currently under review. The proposal consists of a four unit rowhouse development. The development permit plans are included for information purposes only.

Administration's review of the development permit will determine the building design, number of units and site layout details such as parking, landscaping and site access. The development permit is on hold; no decision will be made on the development permit until Council has made a decision on this land use redesignation.
