---

The Advisory Committee on Accessibility (ACA) requests that the Mayor make three (3) award presentations at a January 2014 Council Meeting.

The Advisory Committee on Accessibility presents these awards every year. The awards will be presented to members of the public who have made contributions in accessible transportation, advocacy and access design for people with disabilities.

ACA is requesting that this request be put on the agenda of the PFC for consideration of adding this item to a January 2014 Council Meeting or Combined Public Hearing.

Please contact Leanne Squair if you require any additional information.

Thank you,
