

Renfrew Community Association Letter

June 2, 2018

Hi Chris,

Below is the Renfrew Planning Committee's feedback on behalf of the Renfrew Community Association Board:

LOC2018-0100 - 914 7 Ave - Due June 2nd

The Renfrew Planning committee has concerns that moving this home closer to the street will increase the apparent massing of the home. This raises questions about the precedent this will set.

Thanks,
Nathan Hawryluk
