Calgary 

Previous Council Direction / Policy

1996–2000

- Council approved servicing to service areas within Rocky View County (RVC)

2015

- Council approved an amendment to the existing servicing agreement for the Highway 8 Corridor

2018 February 26

- Council approved wastewater servicing to Elbow Valley West and directed Administration to execute a new Master Servicing Agreement with RVC for wastewater servicing.

June 13, 2018 IGA2018-1037 2

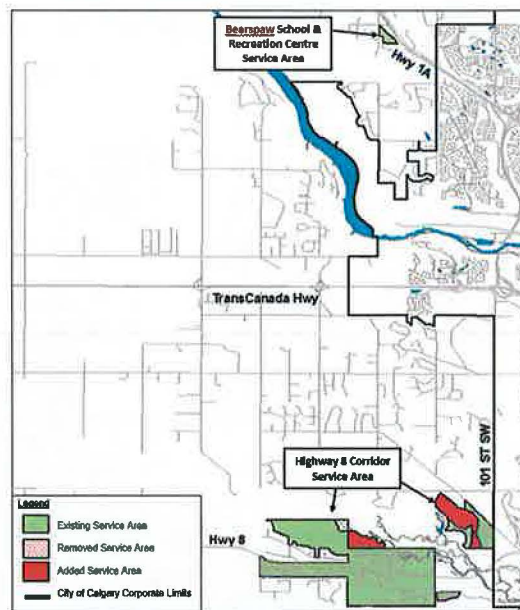

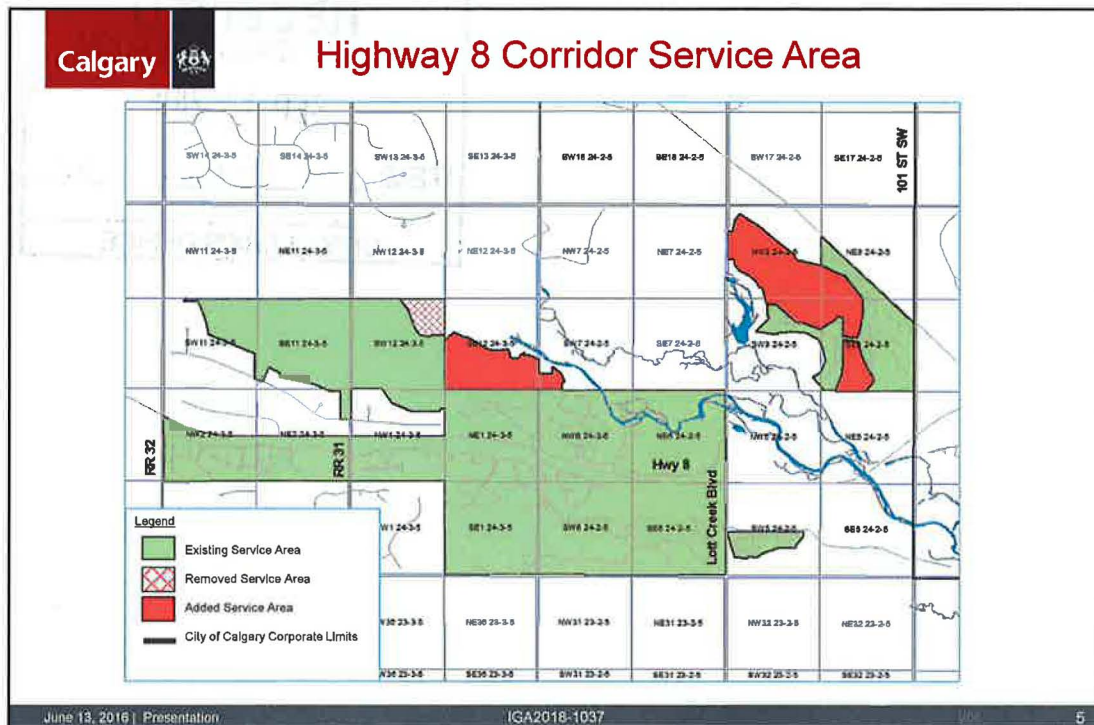

Background

- The City has two existing servicing agreements: the Highway 8 Corridor, and the Bearspaw School and Recreation Centre.
- The Highway 8 Corridor service area has been updated to better reflect the existing servicing situation, which differs slightly from what was presented to Council in May 2018.

Overall Service Area

Calgary  **Administration Recommendations**

That the Intergovernmental Affairs Committee recommend that Council:

1. Approve the Service Area shown in Attachment 1 for wastewater servicing to Rocky View County.
