Submit question for One Calgary FAQ: **FROM PARKS 2018Nov28 - ej - Not sure what BU this needs to go to but it related to the One Calgary Budget going on right now.** I emailed citizen for clarification and got this response "Thank you for getting back to me. I worked with Sara Stepa from Parks Foundation Calgary in building a playground at Samuel W Shaw school in Shawnessy. She was a great help to us as was the Foundation, without their help we may not have been able to complete the build. Sara asked if we could send an e-mail to publicsubmissions@calgary.ca in support of the good works that Parks Foundation does. The e-mail was due on November 21 and I thought I had made the deadline but the e-mail was stuck in my outbox. I sent it yesterday but wanted to follow up to make sure it was received.
