PUD2019-0015

Municipal Development Plan/Calgary Transportation Plan Review – Scoping Report

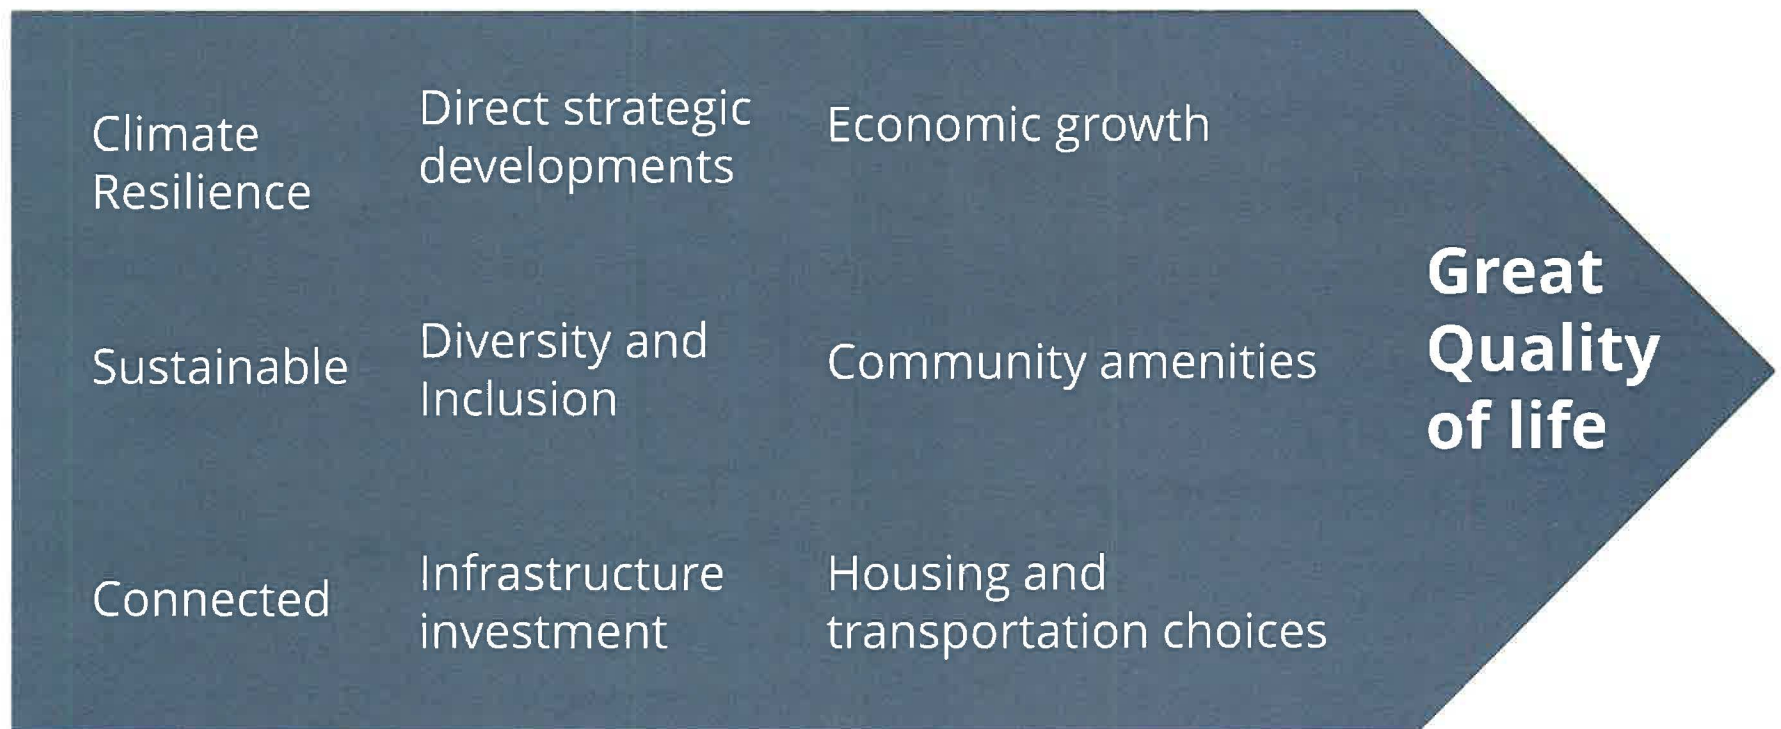

Direction from Council (2018-July 30)

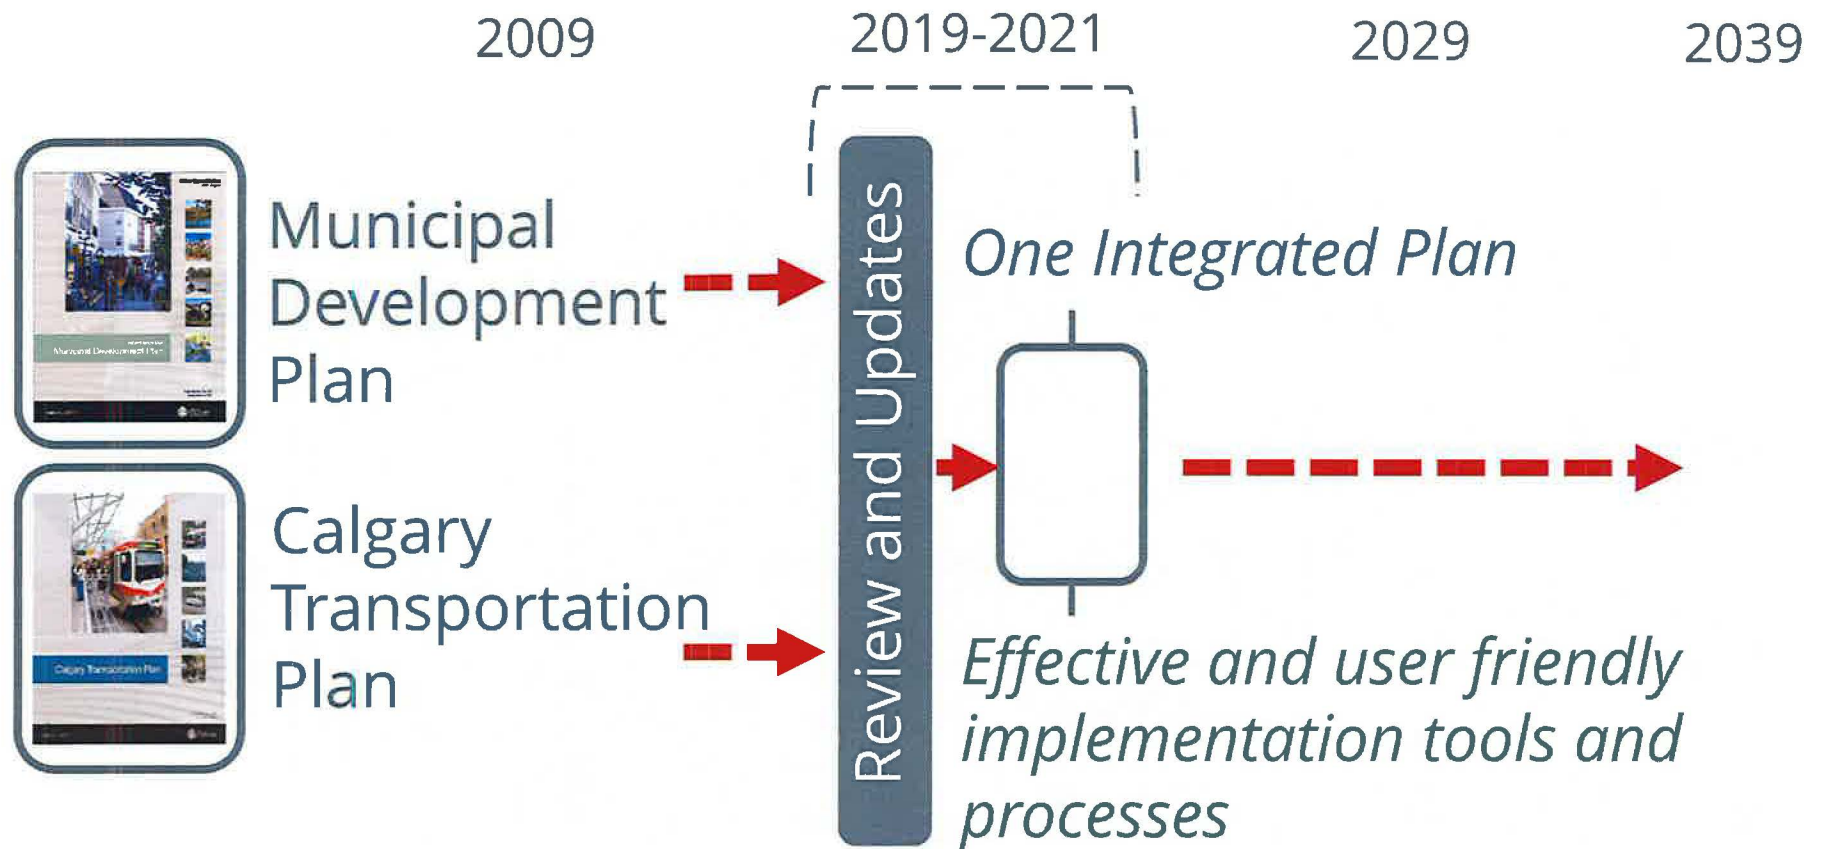

- Develop a scoping report for the review of the Municipal Development Plan and Calgary Transportation Plan no later than Q1 2019
- With proposed plan amendments going for approval to the current Council no later than 2021 Q2 (PUD2018-0696 Referral), PFC2018-0867

**The Plans | 60-Year Vision
30-Year Policy Framework**

2009  2039

Review & Updates of the Plans

Foundation of the Review

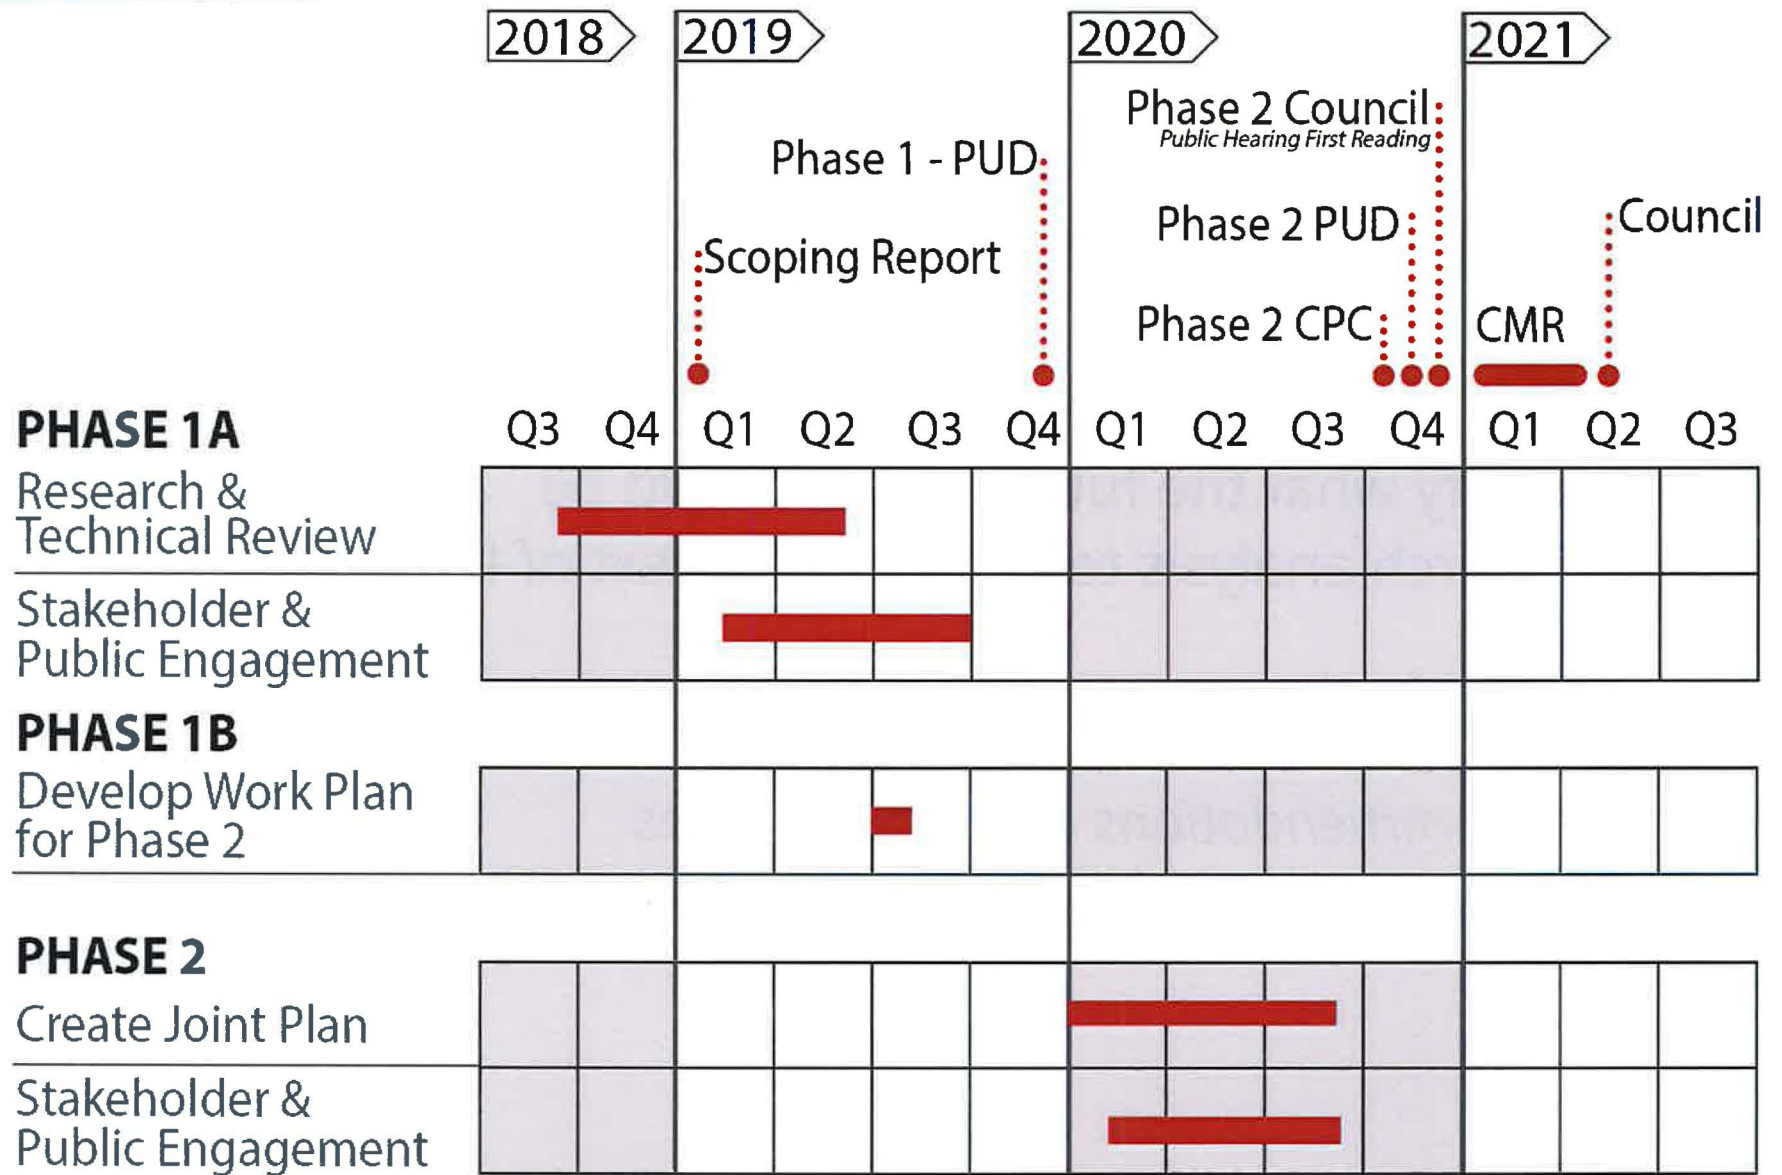

- 11 Sustainability Principles and 8 Key Directions in 2009 MDP and CTP.
- 2018 MDP and CTP Monitoring Report.

Alignment with relevant Policies and Initiatives

- City Charter, Municipal Government Act amendments
- Calgary Metropolitan Region Growth and Servicing Plans
- Climate Resilience Strategy
- RouteAhead, Step Forward, Goods Movement
- Accessibility, social inclusion and diversity
- Resilient city

Scope

- Gap analysis and research
- Review and updates
 - maps (Urban Structure, Primary Transit and Road and Street Network, etcetera), typologies and other Plan terminology
- Incorporate new and emerging topics
- Review monitoring and reporting system
 - current city-wide targets and core indicators
- Revision to incorporate updated legislation
- Alignment between Plans
- Recommend and prepare updates

Phase 1

Technical Review and Research (Q4 2018 to Q4 2019)

- Establish the current state of the Plans
- Identify what the future state should be
- Research analysis to establish context of the review

Deliver:

- *Recommendations on Plans updates*
- *Workplan and budget to implement recommendations*

Phase 2

Update the Plans (Q4 2019 to Q4 2020)

➤ Dependent on Council's direction from Phase 1

Deliver:

- *Updated joint Plan*
- *Brought forward to Committee no later than Q4 2020*

Engagement Approach

- Iterative and Responsive
- Inclusive: Opportunities for diverse stakeholders
- Multiple opportunities to provide input
- Stakeholder input helps the project team better understand the values, interests, expectations, and priorities

Recommendation

That the Standing Policy Committee of Planning and Urban Development recommend Council direct Administration to:

- I. Undertake the review work of the Municipal Development Plan and Calgary Transportation Plan in accordance with the scope identified in Attachment 1; and,
- II. Return with the outcomes of Phase 1 to Council through the Standing Policy Committee on Planning and Urban Development no later than Q4 2019.

Calgary

Thank You
