2018-12-19 Community Action on Mental Health and Addiction 2

Notice of Motion

NOW THEREFORE BE IT RESOLVED THAT Council **direct Administration to convene a community wide-mental health, addiction and crime prevention strategy**, modeled on the systems approach taken in the Ten Year Plan to End Homelessness and Enough for All, involving a broad base of community stakeholders and leveraging partnerships with service providers and other orders of government.

AND FURTHER BE IT RESOLVED THAT Council direct Administration to report as follow....

2. **A scoping report** and work plan for the development of the community strategy identifying short, medium and long term actions, recommendations on a governance framework, targets and measures and initial policy directions **for Council's consideration to a Strategic Session of council, no later than Q1 2019. This session should be facilitated and involve input from members of Council and other stakeholders, including experts, in its design.**

Background

Calgary 

Progress to Date

The diagram shows a vertical timeline with three red arrow-shaped boxes pointing downwards, each containing a month and year. To the right of each box is a rounded rectangle containing a list of activities.
