Social procurement leverages an added and intentional social value from existing procurement.

MAKING LIFE BETTER EVERY DAY

C2018-1379 Attachment 3

When we focus on 'best value for money' procurement is much more than a financial transaction; it is a tool for building healthy communities.

The Goal: A Healthy Community

Potential Social Procurement Outcomes A more diverse, stronger and more resilient small and medium sized and social enterprises business sector Greater economic opportunities and integration for historically marginalized groups Increased apprenticeship, work-experience, and entry-level opportunities in the trades and other career-track employment, especially for traditionally marginalized community members, i.e. Indigenous, women and immigrants.

The City is prepared to respond to Infrastructure Canada's recent requirement for Community Benefit Employment Agreements for infrastructure investments.

- Establish a SSEEPP Advisory Task Force with representation of The City, local business, industry and community to support SSEEPP design, implementation, and evaluation.
- Explore implementation options and initiate
 pilot projects to test and design the inclusion
 of more small, medium sized businesses and
 social enterprises into direct procurement
 opportunities and into the supply chain of
 major contractors.
- Use an outcomes-based measurement and reporting process aligned with existing City of Calgary policy, programs and strategies. 9

Is it legal?

What about trade agreements?

C2018-1379 Attachment 3

Trade agreements may apply, and require parameters for language: You cannot restrict competition, but you can require community outcomes from all bidders.

Yes, but...

Trade agreements have exemptions for contracting with non-profits

Trade agreements have financial thresholds
