RE: Haskayne Legacy Park Naming

To Whom It May Concern,

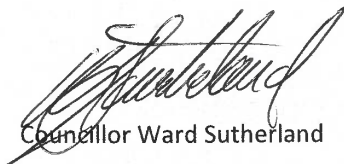

It is my pleasure to provide this letter of support to formally name the new park located on the east side of the Bearspaw Reservoir, "Haskayne Legacy Park".

This park will offer Calgarians the ability to enjoy landscapes and spectacular views of the mountains and prairies. It is fitting to name this park after the Haskayne family because Richard Haskayne is a Calgarian who has displayed exemplary public and community service. Not only is he known for his generosity and success, but he has also built a strong reputation based on his high standards for business ethics.

The family's kindness dates back to the First World War, when Richard's parents owned a meat shop and helped out their neighbors in need. He credits his parents for teaching him the value of compassion and hard work. The park would have also not been complete without the significant land donation Mr. Haskayne and his family made.

I applaud the Haskayne Family's service to the community and I believe in recognizing them for all their generosity and philanthropic efforts that have greatly benefitted our city. It would be most appropriate if this new park is named in their honour.

Warm Regards,

Councillor Ward Sutherland
