

TOP 7 OVER 70

Nominate an Outstanding Senior

Do you know someone over 70 making a difference or achieving excellence in a new venture? It could be in the field of volunteerism, business, arts, health, recreation or science; or, perhaps that senior is overcoming great obstacles. The key is that nominees for these awards started their ventures after age 70. Nominate the outstanding senior you know before September 7, 2017 for a Top 7 Over 70 award. Seven outstanding seniors from Calgary & area will be recognized at a gala on Oct. 2. Details and nomination forms are at
