

City Planning & Policy Priorities 2019

SPC on Planning and Urban Development February 6, 2019

SPC on Planning and Urban Development January 9

Administration's Proposed Priorities

- 1. The Established Areas Growth and Change Strategy
- 2. The Transit Oriented Development Implementation Strategy
- 3. The Developed Areas Guidebook Update and Implementation
- 4. Multi-community Local Area Plans
- 5. Main Streets Design and Implementation
- 6. Land Use Bylaw Amendments (infill, commercial activity, sustainability)

Need for:

- Guiding principles and clear rationale
- Thoughtful, prioritized approach aligned with Council priorities
- Addressing key concerns confronting The City in 2019

Council's Key Concerns 2019

- Enabling economic prosperity
- Focusing City initiatives and investment in areas experiencing demand and activity
- Supporting people and communities to achieve mutual goals
- The impacts and potential of City investments
- Efficient use of Administration's resources and consideration of impacts on capacity

Decision-Making Considerations

Prioritize initiatives in 2019 that align with:

- Enhancing investor confidence:
 - Providing updated, effective plans = remove obstacles to desired investment
 - Delivering plans and policies effectively, sooner and more nimbly
- Areas of community readiness and development activity
- Revising The City's planning process and community planning approach –
 enhance communities' and Calgarians' ability to participate meaningfully in planning
- Implementing Council's priorities

Working Session January 21 – 6 Refined Priorities

Advancing Calgary's Strategic Vision

- MDP/CTP Review & Guidebook work underway
- Guidebook informs MDP
- Purposeful attention & transparency

Advancing the Integrated Growth Strategy

- · Aligns individual strategies
- Comprehensive, city-wide approach to investment, funding and growth decisions
- Established Areas Growth and Change Strategy / Industrial Strategy

В

Inclusive and Modern Community Planning

C

A

- Multi-community plan approach
- Provide modern tools to more communities
- Improved ability for Calgarians to participate in planning their communities

Main Streets and TOD Implementation Strategy

- Implement main streets
- Similar content, issues, objectives and geographic areas
- Benefits of mutual focus

D

A Renewed Land Use Bylaw

- Group of initiatives
- Supports move to an outcome-oriented planning system
- Line of sight: Vision/Policy/Plans/Bylaw
- Comprehensive change towards Great Communities

Supporting Downtown

- Impacts of current economy
- Enhance resilience of office, commercial and development activity
- Corporate priority

F

E

Future Initiatives

- Not all current initiatives can, or should, be prioritized
- Will be worked on when resources become available
- Same decision-making process will apply to determine priority
- Will reflect key concerns at that time
- Will be identified in workplan

Calgary Planning Commission Input

- Beneficial to Council
- Incorporate meaningful review by CPC into timelines of policy initiatives
- May require some timeline extensions

Next Steps

- 2019 February 25: Present proposed priorities to Council for direction
- Update 2019 City Policy and Planning Service Line workplan to align with priorities
- 2019 March 06: Report back to SPC on Planning and Urban Development

Recommendations

That the SPC on Planning and Urban Development recommend that Council direct Administration to:

- 1. Base its policy workplan for 2019 on the six proposed priority areas
- 2. Report back to SPC on PUD with updated policy workplan for 2019
