Attention: Brent Wilson

Dear Brent:

**RE: Proposed Application – Subdivision for removal of municipal reserve
249 Bridlerange PL SW (0815756;4;13MR) (the “Property”)**

This letter authorizes the inclusion of the City's Real Property, as contemplated by Part 17 of the *Municipal Government Act*, in an application for subdivision approval. Such authorization is given without prejudice to The City's discretion to negotiate, approve and complete related transactions.

This authorization for inclusion in a planning submission does not, in any manner, give support or endorsement to the proposed plan or project. The inclusion of City owned land is for conceptual purposes only and inclusion is at the full risk and sole cost and expense of the applicant.

This is also to advise Community Planning that Real Estate & Development Services has yet to reach an agreement with the developer concerning the disposition of the Property. We request that final endorsement not be released until the Agreement of Purchase and Sale has been executed between the parties.

Yours truly,
